ATTORNEY DISCIPLINE PANEL FILES COMPLAINT AGAINST CAHNMAN

"The agency charged with recommending discipline for Illinois attorneys has filed a three-count complaint against Springfield Ward 5 Ald. Sam Cahnman, alleging he **made false statements to the court** in 2008, **solicited a sexual act from undercover police officers** earlier this year, and brought the legal profession into disrepute by **groping a woman prisoner** at the Sangamon County Jail in 2002."

OUR OPINION: CAHNMAN'S TROUBLING TENDENCIES

"...we are not blind to the regularity with which Cahnman finds himself in the news for missteps that, while perhaps not crimes, certainly show questionable judgment...
We expect more from our leaders.
Given Cahnman's ability to find trouble – plus his tendency toward grandstanding – **it's hard to see how effective he can be on the city council.**"
