

Dear Neighbors,

As Alderman / Committeeman of the 47th Ward and your neighbor, I am writing to encourage you to vote in the Democratic Primary on Tuesday, February 2nd. Your vote is critical to the future of our Ward, our County and our State. In order for democracy to work, your active participation is necessary.

The 47th Ward needs good people to represent us in government, from the Illinois Legislature to the County Court House to Congress. I believe in supporting candidates based on merit and their involvement in the community.

We need legislators who will support the reinstatement of the 7% property tax assessment cap and support the recall of incompetent public officials. We need legislators who will fight to eliminate wasteful state spending and return some common sense to government.

I am asking you to support the candidates on the 47th Ward Democratic Sample ballot. These candidates are dedicated to serving you and not the special interests. These candidates are committed to honest and open government. These candidates have earned my trust and confidence; I hope they can count on yours.

I am honored to serve you as Alderman / Committeeman and want the best for the residents of the 47th Ward. This is a great place to live and raise a family. Please consider supporting the candidates I will be supporting in the Democratic primary on Tuesday, February 2nd.

Sincerely,

Gene Schuster
