1	98TH GENERAL ASSEMBLY
2	CONFERENCE COMMITTEE REPORT
3	ON SENATE BILL 1
4 5	
6	To the President of the Senate and the Speaker of the House
7	of Representatives:
8	We, the conference committee appointed to consider the
9	differences between the houses in relation to House Amendments
10	Nos. 1 and 3 to Senate Bill 1, recommend the following:
11	(1) that the House recede from House Amendments Nos. 1 and
12	3; and
13	(2) that Senate Bill 1 be amended by replacing everything
14	after the enacting clause with the following:
15	"Section 1. Legislative statement.
16	At the time of passage of this amendatory Act of the 98th
17	General Assembly, Illinois has both atypically large debts and
18	structural budgetary imbalances that will, unless addressed by
19	the General Assembly, lead to even greater and rapidly growing
20	debts and deficits. Already, Illinois has the lowest credit
21	rating of any state, and it faces the prospect of future credit
22	downgrades that will further increase the high cost of
23	borrowing.
24	The State has taken significant action to address these

The State has taken significant action to address these fiscal troubles, including, but not limited to, increasing the income tax and reducing pension benefits for future employees.
Further, the State has enacted a series of budgets over the
last several fiscal years that resulted in deep cuts to
important discretionary programs that are essential to the
people of Illinois.

6 At the time of passage of this amendatory Act of the 98th General Assembly, the State's retirement systems have unfunded 7 8 actuarially accrued liabilities of approximately \$100 billion. 9 Meanwhile, the State's annual pension contribution has 10 substantially increased in recent years, and will continue to 11 increase in coming years. The General Assembly recognizes that without significant pension reform, the unfunded liability and 12 13 the State's pension contribution will continue to grow, and further burden the fiscal stability of both the State and its 14 15 retirement systems.

16 This amendatory Act of the 98th General Assembly is intended to address the fiscal issues facing the State and its 17 18 retirement systems in a manner that is feasible, consistent 19 with the Illinois Constitution, and advantageous to both the 20 taxpayers and employees impacted by these changes. Having considered other alternatives that would not involve changes to 21 22 the retirement systems, the General Assembly has determined 23 that the fiscal problems facing the State and its retirement 24 systems cannot be solved without making some changes to the 25 structure of the retirement systems. As a result, this 26 amendatory Act requires more fiscal responsibility of the State, while minimizing the impact on current and retired State
 employees.

3 Going forward, the automatic annual increase in retirement 4 annuity will be based on a participant's years of service to 5 the State and inflation, which more accurately reflects changes in the cost of living. For participants who have yet to receive 6 an annuity, a pensionable salary cap will be imposed; however, 7 8 it will only impact future salary increases that exceed a cap. 9 Those workers 45 years of age and younger will be required to 10 work an additional 4 months for each year under 46, which 11 results in a minimal increase in retirement age given that the life expectancy for a 45 year old is 87 years of age. Current 12 13 employees will receive a 1% reduction in required employee 14 contributions. With these changes, the State can adopt an 15 actuarially sound funding formula that will result in the 16 pension systems achieving 100% funding no later than 2044. The State will also make additional contributions that will 17 18 considerably aid in reducing the unfunded actuarially accrued 19 liability.

The General Assembly finds that this amendatory Act of the 98th General Assembly will lead to fiscal stability for the State and its pension systems.

23 Section 3. The Illinois Public Labor Relations Act is 24 amended by changing Sections 4 and 15 and adding Section 7.5 as 25 follows: 1

(5 ILCS 315/4) (from Ch. 48, par. 1604)

The provisions of this Section shall also not apply to the ability 7 of an employer and employee representative to bargain 8 9 collectively with regard to the pick up of employee 10 contributions pursuant to Section 14-133.1, 15-157.1, or 16-152.1 of the Illinois Pension Code. 11

(b) Nothing in this Section, however, shall be construed as 12 otherwise limiting any of the obligations and requirements 13 14 applicable to each employer under any of the provisions of this 15 Act, including, but not limited to, the requirement to bargain 16 collectively with regard to policy matters directly affecting wages, hours and terms and conditions of employment as well as 17 the impact thereon upon request by employee representatives, 18 19 except for the matters deemed prohibited subjects of bargaining 20 under subsection (a) of this Section. Nothing in this Section 21 shall further be construed as otherwise limiting any of the 22 rights of employees or employee representatives under the provisions of this Act, except for matters deemed prohibited 23 24 subjects of bargaining under subsection (a) of this Section. 25 (c) In case of any conflict between this Section and any

Nothing in 14 this Act shall be construed to replace or diminish the rights 15 of employees established by Sections 28 and 28a of the Metropolitan Transit Authority Act, Sections 2.15 through 2.19 16 17 of the Regional Transportation Authority Act. The provisions of this Act are subject to Section 7.5 of this Act and Section 5 18 19 of the State Employees Group Insurance Act of 1971. Nothing in 20 this Act shall be construed to replace the necessity of complaints against a sworn peace officer, as defined in Section 21 22 2(a) of the Uniform Peace Officer Disciplinary Act, from having 23 a complaint supported by a sworn affidavit.

(a) The provisions of <u>Public Act 88-593</u> this amendatory Act
of 1994 that change the method of calculating, certifying, and
paying the required State contributions to the retirement
systems established under Articles 2, 14, 15, 16, and 18 shall

fiscal year 1996.

16 (c) Every 5 years, beginning in 1999, the Commission on Government Forecasting and Accountability, in consultation 17 with the affected retirement systems and the Governor's Office 18 of Management and Budget (formerly Bureau of the Budget), shall 19 20 consider and determine whether the funding goals 90% funding ratio adopted in Articles 2, 14, 15, 16, and 18 of this Code 21 22 continue subsection (b) continues to represent an appropriate 23 funding goals goal for those State-funded retirement systems in 24 Illinois, and it shall report its findings and recommendations 25 on this subject to the Governor and the General Assembly. Beginning in State fiscal year 2045, the minimum State contribution for each fiscal year shall be the amount needed to maintain the total assets of the System at 100% of the total actuarial liabilities of the System.

Beginning in State fiscal year 2046, the minimum State contribution for each fiscal year shall be the amount needed to maintain the total assets of the System at 90% of the total actuarial liabilities of the System.

Amounts received by the System pursuant to Section 25 of the Budget Stabilization Act or Section 8.12 of the State Finance Act in any fiscal year do not reduce and do not constitute payment of any portion of the minimum State contribution required under this Article in that fiscal year. Such amounts shall not reduce, and shall not be included in the calculation of, the required State contributions under this Article in any future year until the System has reached a funding ratio of at least <u>100%</u> 90%. A reference in this Article to the "required State contribution" or any substantially similar term does not include or apply to any amounts payable to the System under Section 25 of the Budget Stabilization Act.

8 Notwithstanding any other provision of this Section, the 9 required State contribution for State fiscal year 2005 and for 10 fiscal year 2008 and each fiscal year thereafter through State 11 fiscal year 2014, as calculated under this Section and certified under Section 2-134, shall not exceed an amount equal 12 13 to (i) the amount of the required State contribution that would 14 have been calculated under this Section for that fiscal year if 15 the System had not received any payments under subsection (d) 16 of Section 7.2 of the General Obligation Bond Act, minus (ii) the portion of the State's total debt service payments for that 17 18 fiscal year on the bonds issued in fiscal year 2003 for the purposes of that Section 7.2, as determined and certified by 19 20 the Comptroller, that is the same as the System's portion of 21 the total moneys distributed under subsection (d) of Section 7.2 of the General Obligation Bond Act. In determining this 22 23 maximum for State fiscal years 2008 through 2010, however, the 24 amount referred to in item (i) shall be increased, as a 25 percentage of the applicable employee payroll, in equal increments calculated from the sum of the required State 26

1 contribution for State fiscal year 2007 plus the applicable 2 portion of the State's total debt service payments for fiscal 3 year 2007 on the bonds issued in fiscal year 2003 for the 4 purposes of Section 7.2 of the General Obligation Bond Act, so 5 that, by State fiscal year 2011, the State is contributing at 6 the rate otherwise required under this Section.

7 (d) For purposes of determining the required State 8 contribution to the System, the value of the System's assets 9 shall be equal to the actuarial value of the System's assets, 10 which shall be calculated as follows:

As of June 30, 2008, the actuarial value of the System's assets shall be equal to the market value of the assets as of that date. In determining the actuarial value of the System's assets for fiscal years after June 30, 2008, any actuarial gains or losses from investment return incurred in a fiscal year shall be recognized in equal annual amounts over the 5-year period following that fiscal year.

(e) For purposes of determining the required State
contribution to the system for a particular year, the actuarial
value of assets shall be assumed to earn a rate of return equal
to the system's actuarially assumed rate of return.

Sec. 2-125. Obligations of State; funding guarantee.

2 (a) The payment of (1) the required State contributions, 3 (2) all benefits granted under this system and (3) all expenses 4 of administration and operation are obligations of the State to 5 the extent specified in this Article.

6 (b) All income, interest and dividends derived from 7 deposits and investments shall be credited to the account of 8 the system in the State Treasury and used to pay benefits under 9 this Article.

10 (c) Beginning July 1, 2014, the State shall be obligated to 11 contribute to the System in each State fiscal year an amount not less than the sum of (i) the State's normal cost for the 12 13 year and (ii) the portion of the unfunded accrued liability 14 assigned to that year by law. Notwithstanding any other 15 provision of law, if the State fails to pay an amount required under this subsection, it shall be the obligation of the Board 16 to seek payment of the required amount in compliance with the 17 provisions of this Section and, if the amount remains unpaid, 18 19 to bring a mandamus action in the Supreme Court of Illinois to 20 compel the State to make the required payment.

If the System submits a voucher for contributions required under Section 2-124 and the State fails to pay that voucher within 90 days of its receipt, the Board shall submit a written request to the Comptroller seeking payment. A copy of the request shall be filed with the Secretary of State, and the Secretary of State shall provide a copy to the Governor and -42- LRB098 05457 EFG 50220 c

General Assembly. No earlier than the 16th day after the System
files the request with the Comptroller and Secretary of State,
if the amount remains unpaid the Board shall commence a

11 (d) Beginning in State fiscal year 2016, the State shall be 12 obligated to make the transfers set forth in subsections (c-5) 13 and (c-10) of Section 20 of the Budget Stabilization Act and to 14 pay to the System its proportionate share of the transferred 15 amounts in accordance with Section 25 of the Budget 16 Stabilization Act. Notwithstanding any other provision of law, if the State fails to transfer an amount required under this 17 subsection or to pay to the System its proportionate share of 18 19 the transferred amount in accordance with Section 25 of the 20 Budget Stabilization Act, it shall be the obligation of the Board to seek transfer or payment of the required amount in 21 22 compliance with the provisions of this Section and, if the required amount remains untransferred or the required payment 23 24 remains unpaid, to bring a mandamus action in the Supreme Court 25 of Illinois to compel the State to make the required transfer or payment or both, as the case may be. 26

17 Sec. 2-126. Contributions by participants.

(a) Each participant shall contribute toward the cost of 18 19 his or her retirement annuity a percentage of each payment of 20 salary received by him or her for service as a member as follows: for service between October 31, 1947 and January 1, 21 22 1959, 5%; for service between January 1, 1959 and June 30, 23 1969, 6%; for service between July 1, 1969 and January 10, 1973, 6 1/2%; for service after January 10, 1973, 7%; for 24 25 service after December 31, 1981, 8 1/2%.

1 (b) Beginning August 2, 1949, each male participant, and 2 from July 1, 1971, each female participant shall contribute 3 towards the cost of the survivor's annuity 2% of salary.

4 A participant who has no eligible survivor's annuity 5 beneficiary may elect to cease making contributions for survivor's annuity under this subsection. A survivor's annuity 6 shall not be payable upon the death of a person who has made 7 8 this election, unless prior to that death the election has been 9 revoked and the amount of the contributions that would have 10 been paid under this subsection in the absence of the election 11 is paid to the System, together with interest at the rate of 4% per year from the date the contributions would have been made 12 13 to the date of payment.

(c) Beginning July 1, 1967 <u>and, in the case of Tier 1</u> <u>participants, ending on June 30, 2014</u>, each participant shall contribute 1% of salary towards the cost of automatic increase in annuity provided in Section 2-119.1. These contributions shall be made concurrently with contributions for retirement annuity purposes.

(d) In addition, each participant serving as an officer of the General Assembly shall contribute, for the same purposes and at the same rates as are required of a regular participant, on each additional payment received as an officer. If the participant serves as an officer for at least 2 but less than 4 years, he or she shall contribute an amount equal to the amount that would have been contributed had the participant served as -46- LRB098 05457 EFG 50220 c

1 an officer for 4 years. Persons who serve as officers in the 2 87th General Assembly but cannot receive the additional payment to officers because of the ban on increases in salary during 3 4 their terms may nonetheless make contributions based on those 5 additional payments for the purpose of having the additional payments included in their highest salary for annuity purposes; 6 7 however, persons electing to make these additional 8 contributions must also pay an amount representing the corresponding employer contributions, as calculated by the 9 10 System.

11 (e) Notwithstanding any other provision of this Article, 12 the required contribution of a participant who first becomes a 13 participant on or after January 1, 2011 shall not exceed the 14 contribution that would be due under this Article if that 15 participant's highest salary for annuity purposes were 16 \$106,800, plus any increases in that amount under Section 17 2-108.1.

Sec. 2-134. To certify required State contributions and
 submit vouchers.

(a) The Board shall certify to the Governor on or before 3 4 December 15 of each year until December 15, 2011 the amount of 5 the required State contribution to the System for the next fiscal year and shall specifically identify the System's 6 projected State normal cost for that fiscal year. 7 The 8 certification shall include a copy of the actuarial 9 recommendations upon which it is based and shall specifically 10 identify the System's projected State normal cost for that 11 fiscal year.

On or before November 1 of each year, beginning November 1, 12 13 2012, the Board shall submit to the State Actuary, the 14 Governor, and the General Assembly a proposed certification of 15 the amount of the required State contribution to the System for 16 the next fiscal year, along with all of the actuarial assumptions, calculations, and data upon which that proposed 17 certification is based. On or before January 1 of each year 18 beginning January 1, 2013, the State Actuary shall issue a 19 20 preliminary report concerning the proposed certification and 21 identifying, if necessary, recommended changes in actuarial 22 assumptions that the Board must consider before finalizing its 23 certification of the required State contributions. On or before 24 January 15, 2013 and every January 15 thereafter, the Board 25 shall certify to the Governor and the General Assembly the 26 amount of the required State contribution for the next fiscal

year. The Board's certification must note any deviations from the State Actuary's recommended changes, the reason or reasons for not following the State Actuary's recommended changes, and the fiscal impact of not following the State Actuary's recommended changes on the required State contribution.

6 On or before May 1, 2004, the Board shall recalculate and 7 recertify to the Governor the amount of the required State 8 contribution to the System for State fiscal year 2005, taking 9 into account the amounts appropriated to and received by the 10 System under subsection (d) of Section 7.2 of the General 11 Obligation Bond Act.

On or before July 1, 2005, the Board shall recalculate and recertify to the Governor the amount of the required State contribution to the System for State fiscal year 2006, taking into account the changes in required State contributions made by this amendatory Act of the 94th General Assembly.

On or before April 1, 2011, the Board shall recalculate and recertify to the Governor the amount of the required State contribution to the System for State fiscal year 2011, applying the changes made by Public Act 96-889 to the System's assets and liabilities as of June 30, 2009 as though Public Act 96-889 was approved on that date.

23 (a-5) For purposes of Section (c-5) of Section 20 of the
 24 Budget Stabilization Act, on or before November 1 of each year
 25 beginning November 1, 2014, the Board shall determine the
 26 amount of the State contribution to the System that would have

1 been required for the next fiscal year if this amendatory Act of the 98th General Assembly had not taken effect, using the 2 best and most recent available data but based on the law in 3 effect on May 31, 2014. The Board shall submit to the State 4 5 Actuary, the Governor, and the General Assembly a proposed 6 certification, along with the relevant law, actuarial assumptions, calculations, and data upon which that 7 certification is based. On or before January 1, 2015 and every 8 9 January 1 thereafter, the State Actuary shall issue a 10 preliminary report concerning the proposed certification and 11 identifying, if necessary, recommended changes in actuarial assumptions that the Board must consider before finalizing its 12 13 certification. On or before January 15, 2015 and every January 14 1 thereafter, the Board shall certify to the Governor and the 15 General Assembly the amount of the State contribution to the 16 System that would have been required for the next fiscal year if this amendatory Act of the 98th General Assembly had not 17 taken effect, using the best and most recent available data but 18 based on the law in effect on May 31, 2014. The Board's 19 20 certification must note any deviations from the State Actuary's recommended changes, the reason or reasons for not following 21 the State Actuary's recommended changes, and the impact of not 22 following the State Actuary's recommended changes. 23

(b) Beginning in State fiscal year 1996, on or as soon as
possible after the 15th day of each month the Board shall
submit vouchers for payment of State contributions to the

System, in a total monthly amount of one-twelfth of the 1 required annual State contribution certified under subsection 2 (a). From the effective date of this amendatory Act of the 93rd 3 4 General Assembly through June 30, 2004, the Board shall not 5 submit vouchers for the remainder of fiscal year 2004 in excess 6 the fiscal year 2004 certified contribution amount of determined under this Section after taking into consideration 7 8 the transfer to the System under subsection (d) of Section 9 6z-61 of the State Finance Act. These vouchers shall be paid by 10 the State Comptroller and Treasurer by warrants drawn on the 11 funds appropriated to the System for that fiscal year. If in any month the amount remaining unexpended from all other 12 13 appropriations to the System for the applicable fiscal year 14 (including the appropriations to the System under Section 8.12 15 of the State Finance Act and Section 1 of the State Pension 16 Funds Continuing Appropriation Act) is less than the amount lawfully vouchered under this Section, the difference shall be 17 paid from the General Revenue Fund under the continuing 18 19 appropriation authority provided in Section 1.1 of the State 20 Pension Funds Continuing Appropriation Act.

(c) The full amount of any annual appropriation for the System for State fiscal year 1995 shall be transferred and made available to the System at the beginning of that fiscal year at the request of the Board. Any excess funds remaining at the end of any fiscal year from appropriations shall be retained by the System as a general reserve to meet the System's accrued -51- LRB098 05457 EFG 50220 c

5 Sec. 2-162. Application and expiration of new benefit 6 increases.

7 (a) As used in this Section, "new benefit increase" means 8 an increase in the amount of any benefit provided under this 9 Article, or an expansion of the conditions of eligibility for any benefit under this Article, that results from an amendment 10 to this Code that takes effect after the effective date of this 11 12 amendatory Act of the 94th General Assembly. "New benefit 13 increase", however, does not include any benefit increase 14 resulting from the changes made to this Article by this 15 amendatory Act of the 98th General Assembly.

(b) Notwithstanding any other provision of this Code or any subsequent amendment to this Code, every new benefit increase is subject to this Section and shall be deemed to be granted only in conformance with and contingent upon compliance with the provisions of this Section.

(c) The Public Act enacting a new benefit increase must identify and provide for payment to the System of additional funding at least sufficient to fund the resulting annual increase in cost to the System as it accrues.

25

Every new benefit increase is contingent upon the General

1 Assembly providing the additional funding required under this subsection. The Commission on Government Forecasting and 2 3 Accountability shall analyze whether adequate additional 4 funding has been provided for the new benefit increase and 5 shall report its analysis to the Public Pension Division of the Department of Insurance Financial and Professional Regulation. 6 A new benefit increase created by a Public Act that does not 7 8 include the additional funding required under this subsection 9 is null and void. If the Public Pension Division determines 10 that the additional funding provided for a new benefit increase 11 under this subsection is or has become inadequate, it may so certify to the Governor and the State Comptroller and, in the 12 13 absence of corrective action by the General Assembly, the new 14 benefit increase shall expire at the end of the fiscal year in 15 which the certification is made.

(d) Every new benefit increase shall expire 5 years after its effective date or on such earlier date as may be specified in the language enacting the new benefit increase or provided under subsection (c). This does not prevent the General Assembly from extending or re-creating a new benefit increase by law.

(e) Except as otherwise provided in the language creating the new benefit increase, a new benefit increase that expires under this Section continues to apply to persons who applied and qualified for the affected benefit while the new benefit increase was in effect and to the affected beneficiaries and -53- LRB098 05457 EFG 50220 c

8	Sec. 2-165. Defined contribution plan.
9	(a) By July 1, 2015, the System shall prepare and implement
10	a voluntary defined contribution plan for up to 5% of eligible
11	active Tier 1 participants. The System shall determine the 5%
12	cap by the number of active Tier 1 participants on the
13	effective date of this Section. The defined contribution plan
14	developed under this Section shall be a plan that aggregates
15	employer and employee contributions in individual participant
16	accounts which, after meeting any other requirements, are used
17	for payouts after retirement in accordance with this Section
18	and any other applicable laws.
19	As used in this Section, "defined benefit plan" means the
20	retirement plan available under this Article to Tier 1
21	participants who have not made the election authorized under
22	this Section.
23	(1) Under the defined contribution plan, an active Tier
24	1 participant of this System could elect to cease accruing
25	benefits in the defined benefit plan under this Article and

begin accruing benefits for future service in the defined
 contribution plan. Service credit under the defined
 contribution plan may be used for determining retirement
 eligibility under the defined benefit plan.

5 <u>(2) Participants in the defined contribution plan</u> 6 <u>shall pay employee contributions at the same rate as Tier 1</u> 7 <u>participants in this System who do not participate in the</u> 8 <u>defined contribution plan.</u>

9 (3) State contributions shall be paid into the accounts 10 of all participants in the defined contribution plan at a uniform rate, expressed as a percentage of compensation and 11 determined for each year. This rate shall be no higher than 12 the employer's normal cost for Tier 1 participants in the 13 14 defined benefit plan for that year, as determined by the 15 System and expressed as a percentage of compensation, and shall be no lower than 3% of compensation. The State shall 16 17 adjust this rate annually.

18 <u>(4) The defined contribution plan shall require 5 years</u> 19 <u>of participation in the defined contribution plan before</u> 20 <u>vesting in State contributions. If the participant fails to</u> 21 <u>vest in them, the State contributions, and the earnings</u> 22 <u>thereon, shall be forfeited.</u>

23 (5) The defined contribution plan may provide for
 24 participants in the plan to be eligible for defined
 25 disability benefits. If it does, the System shall reduce
 26 the employee contributions credited to the participant's

-55- LRB098 05457 EFG 50220 c

defined contribution plan account by an amount determined
by the System to cover the cost of offering such benefits.
(6) The defined contribution plan shall provide a
variety of options for investments. These options shall
include investments handled by the Illinois State Board of
Investment as well as private sector investment options.
(7) The defined contribution plan shall provide a
variety of options for payouts to retirees and their
survivors.
(8) To the extent authorized under federal law and as
authorized by the System, the plan shall allow former

and vested State contributions, and the earnings thereon,

days accumulated with a participating municipality or 1 participating instrumentality with which the employee 2 3 was in service within 60 days of the effective date of his retirement annuity shall be credited; If the 4 5 employee was in service with more than one employer during this period only the sick leave days with the 6 employer with which the employee has the greatest 7 8 number of unpaid sick leave days shall be considered.

9 b-1. If the employee was in the service of more 10 than one employer as defined in item (2) of paragraph (a) of subsection (A) of Section 7-132, then the sick 11 12 leave days from all such employers shall be credited, 13 as long as the creditable service attributed to those 14 sick leave days does not exceed the limitation in item 15 f of this paragraph 8. In calculating the creditable 16 service under this item b-1, the sick leave days from the last employer shall be considered first, then the 17 18 remaining sick leave days shall be considered until 19 there are no more days or the maximum creditable sick 20 leave threshold under item f of this paragraph 8 has been reached. 21

c. The creditable service granted shall be considered solely for the purpose of computing the amount of the retirement annuity and shall not be used to establish any minimum service period required by any provision of the Illinois Pension Code, the effective date of the retirement annuity, or the final rate of
 earnings.

d. The creditable service shall be at the rate of 1/20 of a month for each full sick day, provided that no more than 12 months may be credited under this subdivision 8.

e. Employee contributions shall not be required
for creditable service under this subdivision 8.

9 f. Each participating municipality and 10 participating instrumentality with which an employee has service within 60 days of the effective date of his 11 retirement annuity shall certify to the board the 12 13 number of accumulated unpaid sick leave days credited 14 to the employee at the time of termination of service.

15 9. For service transferred from another system: Credits and creditable service shall be granted for service 16 under Article 4, 5, 8, 14, or 16 of this Act, to any active 17 member of this Fund, and to any inactive member who has 18 19 been a county sheriff, upon transfer of such credits 20 pursuant to Section 4-108.3, 5-235, 8-226.7, 14-105.6, or 21 16-131.4, and payment by the member of the amount by which 22 (1) the employer and employee contributions that would have 23 been required if he had participated in this Fund as a 24 sheriff's law enforcement employee during the period for 25 which credit is being transferred, plus interest thereon at 26 the effective rate for each year, compounded annually, from the date of termination of the service for which credit is being transferred to the date of payment, exceeds (2) the amount actually transferred to the Fund. Such transferred service shall be deemed to be service as a sheriff's law enforcement employee for the purposes of Section 7-142.1.

10. For service transferred from an Article 3 system 6 under Section 3-110.8: Credits and creditable service 7 8 shall be granted for service under Article 3 of this Act as 9 provided in Section 3-110.8, to any active member of this 10 Fund upon transfer of such credits pursuant to Section 3-110.8. If the amount by which (1) the employer and 11 employee contributions that would have been required if he 12 13 had participated in this Fund during the period for which 14 credit is being transferred, plus interest thereon at the 15 effective rate for each year, compounded annually, from the date of termination of the service for which credit is 16 being transferred to the date of payment, exceeds (2) the 17 18 amount actually transferred to the Fund, then the amount of creditable service established under this paragraph 10 19 20 shall be reduced by a corresponding amount in accordance with the rules and procedures established under this 21 22 paragraph 10.

The board shall establish by rule the manner of making the calculation required under this paragraph 10, taking into account the appropriate actuarial assumptions; the member's service, age, and salary history; the level of 1 2 funding of the employer; and any other factors that the board determines to be relevant.

Until January 1, 2010, members who transferred service 3 from an Article 3 system under the provisions of Public Act 4 5 94-356 may establish additional credit in this Fund, but only up to the amount of the service credit reduction in 6 7 that transfer, as calculated under the actuarial 8 assumptions. This credit may be established upon payment by 9 the member of an amount to be determined by the board, 10 equal to (1) the amount that would have been contributed as employee and employer contributions had all the service 11 been as an employee under this Article, plus interest 12 13 thereon compounded annually from the date of service to the 14 date of transfer, less (2) the total amount transferred 15 from the Article 3 system, plus (3) interest on the 16 difference at the effective rate for each year, compounded 17 annually, from the date of the transfer to the date of payment. The additional service credit is allowed under 18 19 this amendatory Act of the 95th General Assembly 20 notwithstanding the provisions of Article 3 terminating all transferred credits on the date of transfer. 21

11. For service transferred from an Article 3 system under Section 3-110.3: Credits and creditable service shall be granted for service under Article 3 of this Act as provided in Section 3-110.3, to any active member of this Fund, upon transfer of such credits pursuant to Section -82- LRB098 05457 EFG 50220 c

1 3-110.3. Τf the board determines that the amount 2 transferred is less than the true cost to the Fund of 3 allowing that creditable service to be established, then in order to establish that creditable service, the member must 4 5 pay to the Fund an additional contribution equal to the 6 difference, as determined by the board in accordance with 7 the rules and procedures adopted under this paragraph. If 8 the member does not make the full additional payment as 9 required by this paragraph prior to termination of his 10 participation with that employer, then his or her creditable service shall be reduced by an amount equal to 11 difference between the 12 the amount transferred under 13 Section 3-110.3, including any payments made by the member 14 under this paragraph prior to termination, and the true 15 cost to the Fund of allowing that creditable service to be established, as determined by the board in accordance with 16 17 the rules and procedures adopted under this paragraph.

The board shall establish by rule the manner of making the calculation required under this paragraph 11, taking into account the appropriate actuarial assumptions; the member's service, age, and salary history, and any other factors that the board determines to be relevant.

(b) Creditable service - amount:

A calendar month means a nominal month beginning on the first day thereof, and a calendar year means a year beginning January 1 and ending December 31.

8 2. A seasonal employee shall be given 12 months of 9 creditable service if he renders the number of months of 10 service normally required by the position in a 12-month 11 period and he remains in service for the entire 12-month 12 period. Otherwise a fractional year of service in the 13 number of months of service rendered shall be credited.

3. An intermittent employee shall be given creditable
service for only those months in which a contribution is
made under Section 7-173.

(c) No application for correction of credits or creditable 17 service shall be considered unless the board receives an 18 application for correction while (1) the applicant is 19 а 20 participating employee and in active employment with a 21 participating municipality or instrumentality, or (2) while 22 the applicant is actively participating in a pension fund or 23 retirement system which is a participating system under the 24 Retirement Systems Reciprocal Act. A participating employee or 25 other applicant shall not be entitled to credits or creditable 26 service unless the required employee contributions are made in 1 a lump sum or in installments made in accordance with board 2 rule.

(d) Upon the granting of a retirement, surviving spouse or 3 4 child annuity, a death benefit or a separation benefit, on 5 account of any employee, all individual accumulated credits shall thereupon terminate. Upon the withdrawal of additional 6 contributions, the credits applicable thereto shall thereupon 7 8 terminate. Terminated credits shall not be applied to increase 9 the benefits any remaining employee would otherwise receive 10 under this Article.

10 of the 98th General Assembly.

(b) The provisions of subsection (a) of this Section shall 11 be applicable to an employee only if the employee makes the 12 13 additional contributions required after December 31, 1969 for the purpose of the automatic increases for not less than the 14 15 equivalent of one full year. If an employee becomes an 16 annuitant before his additional contributions equal one full year's contributions based on his salary at the date of 17 18 retirement, the employee may pay the necessary balance of the 19 contributions to the system, without interest, and be eligible 20 for the increasing annuity authorized by this Section.

(c) The provisions of subsection (a) of this Section shall
not be applicable to any annuitant who is on retirement on
December 31, 1969, and thereafter returns to State service,
unless the member has established at least one year of
additional creditable service following reentry into service.
(d) In addition to other increases which may be provided by

this Section, on January 1, 1981 any annuitant who was 1 receiving a retirement annuity on or before January 1, 1971 2 3 shall have his retirement annuity then being paid increased \$1 4 per month for each year of creditable service. On January 1, 5 1982, any annuitant who began receiving a retirement annuity on 6 or before January 1, 1977, shall have his retirement annuity then being paid increased \$1 per month for each year of 7 8 creditable service.

9 On January 1, 1987, any annuitant who began receiving a 10 retirement annuity on or before January 1, 1977, shall have the 11 monthly retirement annuity increased by an amount equal to 8¢ 12 per year of creditable service times the number of years that 13 have elapsed since the annuity began.

14 (e) Every person who receives the alternative retirement 15 annuity under Section 14-110 and who is eligible to receive the 16 3% increase under subsection (a) on January 1, 1986, shall also receive on that date a one-time increase in retirement annuity 17 equal to the difference between (1) his actual retirement 18 19 annuity on that date, including any increases received under 20 subsection (a), and (2) the amount of retirement annuity he would have received on that date if the amendments to 21 22 subsection (a) made by Public Act 84-162 had been in effect since the date of his retirement. 23

2 Sec. 14-115. Supplemental Annuity.

(a) Each annuitant, who retired at age 55 or over and after 3 4 the completion of at least 15 years of creditable service, 5 whose status as an employee terminated before January 1, 1970, is entitled to a monthly supplemental annuity effective January 6 1, 1970, or on January 1 nearest the annuitant's 65th birthday, 7 whichever is later. Such supplemental annuity shall be 1-1/2% 8 9 of the monthly retirement annuity, multiplied by the number of 10 full years which elapsed from the date of the member's latest 11 retirement to the effective date of the supplemental annuity. This monthly supplemental annuity shall be increased on each 12 13 January 1 thereafter during the lifetime of the annuitant by 1-1/2% of the monthly retirement annuity disregarding any 14 15 supplemental annuity previously granted. Beginning January 1, 16 1972, the rate of increase in the supplemental annuity shall be 2%. Beginning January 1, 1979, the rate of increase in the 17 18 supplemental annuity shall be 3%.

The supplemental annuity under this subsection is payable only if the annuitant pays to the System, in a single sum, an amount equal to 1% of his monthly final average compensation multiplied by the number of full years of creditable service.

(b) Any member who retired with less than 15 years of creditable service whose status as an employee terminated before January 1, 1970, shall be entitled to an increase of 3% of the original monthly retirement allowance, effective

January 1, 1982, or on January 1 nearest the annuitant's 65th birthday, whichever is later. On each January 1 thereafter during the lifetime of the member, he shall be entitled to an additional increase of 3% of the original monthly retirement allowance. No qualifying contribution is required for the supplemental annuity under this subsection.

7 (c) Beginning January 1, 1990, all automatic annual 8 increases payable under this Section shall be calculated as a 9 percentage of the total monthly amount of annuity payable at 10 the time of the increase, including any supplemental annuity or 11 other increase previously granted under this Article.

(d) Notwithstanding any other provision of this Section, 12 all increases payable under this Section on or after the 13 14 effective date of this amendatory Act of the 98th General 15 Assembly shall be calculated as 3% of the lesser of (1) the 16 total annuity payable at the time of the increase, including previous increases granted, or (2) \$800 (\$1,000 for portions of 17 the annuity based on service as a noncovered employee) 18 multiplied by the number of years of creditable service upon 19 20 which the annuity is based.

Beginning January 1, 2016, the \$800 (\$1,000 for portions of the annuity based on service as a noncovered employee) referred in item (2) of this subsection (d) shall be increased on each January 1 by the annual unadjusted percentage increase (but not less than zero) in the consumer price index-u for the 12 months ending with the preceding September; these adjustments shall be -137- LRB098 05457 EFG 50220 c

1	cumulative and compounded. For the purposes of this subsection
2	(d), "consumer price index-u" means the index published by the
3	Bureau of Labor Statistics of the United States Department of
4	Labor that measures the average change in prices of goods and
5	services purchased by all urban consumers, United States city
6	average, all items, 1982-84 = 100. The new dollar amount
7	resulting from each annual adjustment shall be determined by
8	the Public Pension Division of the Department of Insurance and
9	made available to the System by November 1 of each year.
10	This subsection (d) is applicable without regard to whether

11 the person is in service on or after the effective date of this 12 amendatory Act of the 98th General Assembly.

15 Sec. 14-131. Contributions by State.

(a) The State shall make contributions to the System by
appropriations of amounts which, together with other employer
contributions from trust, federal, and other funds, employee
contributions, investment income, and other income, will be
sufficient to meet the cost of maintaining and administering
the System on a 100% 90% funded basis in accordance with
actuarial recommendations by the end of State fiscal year 2044.

For the purposes of this Section and Section 14-135.08, references to State contributions refer only to employer contributions and do not include employee contributions that are picked up or otherwise paid by the State or a department on
 behalf of the employee.

3 (b) The Board shall determine the total amount of State 4 contributions required for each fiscal year on the basis of the 5 actuarial tables and other assumptions adopted by the Board, 6 using the formula in subsection (e).

The Board shall also determine a State contribution rate 7 8 for each fiscal year, expressed as a percentage of payroll, 9 based on the total required State contribution for that fiscal 10 amount received by the System year (less the from 11 appropriations under Section 8.12 of the State Finance Act and Section 1 of the State Pension Funds Continuing Appropriation 12 13 Act, if any, for the fiscal year ending on the June 30 14 immediately preceding the applicable November 15 certification 15 deadline), the estimated payroll (including all forms of 16 compensation) for personal services rendered by eligible employees, and the recommendations of the actuary. 17

For the purposes of this Section and Section 14.1 of the State Finance Act, the term "eligible employees" includes employees who participate in the System, persons who may elect to participate in the System but have not so elected, persons who are serving a qualifying period that is required for participation, and annuitants employed by a department as described in subdivision (a) (1) or (a) (2) of Section 14-111.

(c) Contributions shall be made by the several departmentsfor each pay period by warrants drawn by the State Comptroller

-139- LRB098 05457 EFG 50220 c

1 against their respective funds or appropriations based upon vouchers stating the amount to be so contributed. These amounts 2 3 shall be based on the full rate certified by the Board under 4 Section 14-135.08 for that fiscal year. From the effective date 5 of this amendatory Act of the 93rd General Assembly through the of the final payroll from fiscal 6 pavment year 2004 7 appropriations, the several departments shall not make 8 contributions for the remainder of fiscal year 2004 but shall instead make payments as required under subsection (a-1) of 9 10 Section 14.1 of the State Finance Act. The several departments 11 shall resume those contributions at the commencement of fiscal vear 2005. 12

13 (c-1) Notwithstanding subsection (c) of this Section, for 14 fiscal years 2010, 2012, 2013, and 2014 only, contributions by 15 the several departments are not required to be made for General 16 Revenue Funds payrolls processed by the Comptroller. Payrolls 17 paid by the several departments from all other State funds must 18 continue to be processed pursuant to subsection (c) of this 19 Section.

20 (c-2) For State fiscal years 2010, 2012, 2013, and 2014 only, on or as soon as possible after the 15th day of each 21 22 month, the Board shall submit vouchers for payment of State contributions to the System, in a total monthly amount of 23 24 the fiscal year General one-twelfth of Revenue Fund 25 contribution as certified by the System pursuant to Section 26 14-135.08 of the Illinois Pension Code.

-140- LRB098 05457 EFG 50220 c

1 (d) If an employee is paid from trust funds or federal 2 funds, the department or other employer shall pay employer 3 contributions from those funds to the System at the certified 4 rate, unless the terms of the trust or the federal-State 5 agreement preclude the use of the funds for that purpose, in 6 which case the required employer contributions shall be paid by the State. From the effective date of this amendatory Act of 7 the 93rd General Assembly through the payment of the final 8 9 payroll from fiscal year 2004 appropriations, the department or 10 other employer shall not pay contributions for the remainder of 11 fiscal year 2004 but shall instead make payments as required under subsection (a-1) of Section 14.1 of the State Finance 12 13 Act. The department or other employer shall resume payment of contributions at the commencement of fiscal year 2005. 14

15 (e) For State fiscal years 2015 through 2044, the minimum contribution to the System to be made by the State for each 16 fiscal year shall be an amount determined by the System to be 17 equal to the sum of (1) the State's portion of the projected 18 19 normal cost for that fiscal year, plus (2) an amount sufficient 20 to bring the total assets of the System up to 100% of the total 21 actuarial liabilities of the System by the end of State fiscal year 2044. In making these determinations, the required State 22 contribution shall be calculated each year as a level 23 24 percentage of payroll over the years remaining to and including 25 fiscal year 2044 and shall be determined under the projected unit cost method for fiscal year 2015 and under the entry age 26

-141- LRB098 05457 EFG 50220 c

1 normal actuarial cost method for fiscal years 2016 through 2 2044.

For State fiscal years 2012 through 2014 2045, the minimum 3 4 contribution to the System to be made by the State for each 5 fiscal year shall be an amount determined by the System to be 6 sufficient to bring the total assets of the System up to 90% of the total actuarial liabilities of the System by the end of 7 State fiscal year 2045. In making these determinations, the 8 9 required State contribution shall be calculated each year as a 10 level percentage of payroll over the years remaining to and 11 including fiscal year 2045 and shall be determined under the projected unit credit actuarial cost method. 12

For State fiscal years 1996 through 2005, the State 13 14 contribution to the System, as a percentage of the applicable 15 employee payroll, shall be increased in equal annual increments 16 so that by State fiscal year 2011, the State is contributing at the rate required under this Section; except that (i) for State 17 fiscal year 1998, for all purposes of this Code and any other 18 19 law of this State, the certified percentage of the applicable 20 employee payroll shall be 5.052% for employees earning eligible creditable service under Section 14-110 and 6.500% for all 21 22 other employees, notwithstanding any contrary certification made under Section 14-135.08 before the effective date of this 23 24 amendatory Act of 1997, and (ii) in the following specified 25 State fiscal years, the State contribution to the System shall 26 not be less than the following indicated percentages of the

-142- LRB098 05457 EFG 50220 c

applicable employee payroll, even if the indicated percentage will produce a State contribution in excess of the amount otherwise required under this subsection and subsection (a): 9.8% in FY 1999; 10.0% in FY 2000; 10.2% in FY 2001; 10.4% in FY 2002; 10.6% in FY 2003; and 10.8% in FY 2004.

6 Notwithstanding any other provision of this Article, the 7 total required State contribution to the System for State 8 fiscal year 2006 is \$203,783,900.

9 Notwithstanding any other provision of this Article, the
10 total required State contribution to the System for State
11 fiscal year 2007 is \$344,164,400.

For each of State fiscal years 2008 through 2009, the State contribution to the System, as a percentage of the applicable employee payroll, shall be increased in equal annual increments from the required State contribution for State fiscal year 2007, so that by State fiscal year 2011, the State is contributing at the rate otherwise required under this Section.

Notwithstanding any other provision of this Article, the 18 total required State General Revenue Fund contribution for 19 20 State fiscal year 2010 is \$723,703,100 and shall be made from the proceeds of bonds sold in fiscal year 2010 pursuant to 21 22 Section 7.2 of the General Obligation Bond Act, less (i) the 23 pro rata share of bond sale expenses determined by the System's 24 share of total bond proceeds, (ii) any amounts received from 25 the General Revenue Fund in fiscal year 2010, and (iii) any 26 reduction in bond proceeds due to the issuance of discounted

1 bonds, if applicable.

2 Notwithstanding any other provision of this Article, the 3 total required State General Revenue Fund contribution for 4 State fiscal year 2011 is the amount recertified by the System 5 on or before April 1, 2011 pursuant to Section 14-135.08 and shall be made from the proceeds of bonds sold in fiscal year 6 2011 pursuant to Section 7.2 of the General Obligation Bond 7 8 Act, less (i) the pro rata share of bond sale expenses 9 determined by the System's share of total bond proceeds, (ii) 10 any amounts received from the General Revenue Fund in fiscal 11 year 2011, and (iii) any reduction in bond proceeds due to the issuance of discounted bonds, if applicable. 12

Beginning in State fiscal year 2045, the minimum State contribution for each fiscal year shall be the amount needed to maintain the total assets of the System at 100% of the total actuarial liabilities of the System.

Beginning in State fiscal year 2046, the minimum State contribution for each fiscal year shall be the amount needed to maintain the total assets of the System at 90% of the total actuarial liabilities of the System.

Amounts received by the System pursuant to Section 25 of the Budget Stabilization Act or Section 8.12 of the State Finance Act in any fiscal year do not reduce and do not constitute payment of any portion of the minimum State contribution required under this Article in that fiscal year. Such amounts shall not reduce, and shall not be included in the 1 calculation of, the required State contributions under this
2 Article in any future year until the System has reached a
3 funding ratio of at least <u>100%</u> 90%. A reference in this Article
4 to the "required State contribution" or any substantially
5 similar term does not include or apply to any amounts payable
6 to the System under Section 25 of the Budget Stabilization Act.

Notwithstanding any other provision of this Section, the 7 required State contribution for State fiscal year 2005 and for 8 9 fiscal year 2008 and each fiscal year thereafter through State 10 fiscal year 2014, as calculated under this Section and 11 certified under Section 14-135.08, shall not exceed an amount equal to (i) the amount of the required State contribution that 12 would have been calculated under this Section for that fiscal 13 14 year if the System had not received any payments under 15 subsection (d) of Section 7.2 of the General Obligation Bond 16 Act, minus (ii) the portion of the State's total debt service payments for that fiscal year on the bonds issued in fiscal 17 year 2003 for the purposes of that Section 7.2, as determined 18 and certified by the Comptroller, that is the same as the 19 20 System's portion of the total moneys distributed under subsection (d) of Section 7.2 of the General Obligation Bond 21 Act. In determining this maximum for State fiscal years 2008 22 23 through 2010, however, the amount referred to in item (i) shall 24 be increased, as a percentage of the applicable employee 25 payroll, in equal increments calculated from the sum of the 26 required State contribution for State fiscal year 2007 plus the applicable portion of the State's total debt service payments for fiscal year 2007 on the bonds issued in fiscal year 2003 for the purposes of Section 7.2 of the General Obligation Bond Act, so that, by State fiscal year 2011, the State is contributing at the rate otherwise required under this Section.

(f) After the submission of all payments for eligible 6 employees from personal services line items in fiscal year 2004 7 8 have been made, the Comptroller shall provide to the System a 9 certification of the sum of all fiscal year 2004 expenditures 10 for personal services that would have been covered by payments 11 to the System under this Section if the provisions of this amendatory Act of the 93rd General Assembly had not been 12 13 enacted. Upon receipt of the certification, the System shall 14 determine the amount due to the System based on the full rate 15 certified by the Board under Section 14-135.08 for fiscal year 16 2004 in order to meet the State's obligation under this Section. The System shall compare this amount due to the amount 17 received by the System in fiscal year 2004 through payments 18 19 under this Section and under Section 6z-61 of the State Finance 20 Act. If the amount due is more than the amount received, the difference shall be termed the "Fiscal Year 2004 Shortfall" for 21 22 purposes of this Section, and the Fiscal Year 2004 Shortfall shall be satisfied under Section 1.2 of the State Pension Funds 23 24 Continuing Appropriation Act. If the amount due is less than 25 the amount received, the difference shall be termed the "Fiscal 26 Year 2004 Overpayment" for purposes of this Section, and the Fiscal Year 2004 Overpayment shall be repaid by the System to the Pension Contribution Fund as soon as practicable after the certification.

4 (g) For purposes of determining the required State 5 contribution to the System, the value of the System's assets 6 shall be equal to the actuarial value of the System's assets, 7 which shall be calculated as follows:

As of June 30, 2008, the actuarial value of the System's assets shall be equal to the market value of the assets as of that date. In determining the actuarial value of the System's assets for fiscal years after June 30, 2008, any actuarial gains or losses from investment return incurred in a fiscal year shall be recognized in equal annual amounts over the 5-year period following that fiscal year.

(h) For purposes of determining the required State contribution to the System for a particular year, the actuarial value of assets shall be assumed to earn a rate of return equal to the System's actuarially assumed rate of return.

19 (i) After the submission of all payments for eligible 20 employees from personal services line items paid from the 21 General Revenue Fund in fiscal year 2010 have been made, the 22 Comptroller shall provide to the System a certification of the 23 sum of all fiscal year 2010 expenditures for personal services 24 that would have been covered by payments to the System under 25 this Section if the provisions of this amendatory Act of the 26 96th General Assembly had not been enacted. Upon receipt of the

1 certification, the System shall determine the amount due to the System based on the full rate certified by the Board under 2 3 Section 14-135.08 for fiscal year 2010 in order to meet the 4 State's obligation under this Section. The System shall compare 5 this amount due to the amount received by the System in fiscal year 2010 through payments under this Section. If the amount 6 due is more than the amount received, the difference shall be 7 8 termed the "Fiscal Year 2010 Shortfall" for purposes of this 9 Section, and the Fiscal Year 2010 Shortfall shall be satisfied 10 under Section 1.2 of the State Pension Funds Continuing 11 Appropriation Act. If the amount due is less than the amount received, the difference shall be termed the "Fiscal Year 2010 12 13 Overpayment" for purposes of this Section, and the Fiscal Year 14 2010 Overpayment shall be repaid by the System to the General 15 Revenue Fund as soon as practicable after the certification.

16 (j) After the submission of all payments for eligible employees from personal services line items paid from the 17 General Revenue Fund in fiscal year 2011 have been made, the 18 Comptroller shall provide to the System a certification of the 19 20 sum of all fiscal year 2011 expenditures for personal services 21 that would have been covered by payments to the System under 22 this Section if the provisions of this amendatory Act of the 23 96th General Assembly had not been enacted. Upon receipt of the 24 certification, the System shall determine the amount due to the 25 System based on the full rate certified by the Board under 26 Section 14-135.08 for fiscal year 2011 in order to meet the

1 State's obligation under this Section. The System shall compare this amount due to the amount received by the System in fiscal 2 3 year 2011 through payments under this Section. If the amount 4 due is more than the amount received, the difference shall be 5 termed the "Fiscal Year 2011 Shortfall" for purposes of this Section, and the Fiscal Year 2011 Shortfall shall be satisfied 6 under Section 1.2 of the State Pension Funds Continuing 7 8 Appropriation Act. If the amount due is less than the amount 9 received, the difference shall be termed the "Fiscal Year 2011 10 Overpayment" for purposes of this Section, and the Fiscal Year 11 2011 Overpayment shall be repaid by the System to the General Revenue Fund as soon as practicable after the certification. 12

13 (k) For fiscal years 2012 through 2014 only, after the 14 submission of all payments for eligible employees from personal 15 services line items paid from the General Revenue Fund in the 16 fiscal year have been made, the Comptroller shall provide to the System a certification of the sum of all expenditures in 17 the fiscal year for personal services. Upon receipt of the 18 19 certification, the System shall determine the amount due to the 20 System based on the full rate certified by the Board under 21 Section 14-135.08 for the fiscal year in order to meet the 22 State's obligation under this Section. The System shall compare 23 this amount due to the amount received by the System for the 24 fiscal year. If the amount due is more than the amount 25 received, the difference shall be termed the "Prior Fiscal Year 26 Shortfall" for purposes of this Section, and the Prior Fiscal

-149- LRB098 05457 EFG 50220 c

Year Shortfall shall be satisfied under Section 1.2 of the State Pension Funds Continuing Appropriation Act. If the amount due is less than the amount received, the difference shall be termed the "Prior Fiscal Year Overpayment" for purposes of this Section, and the Prior Fiscal Year Overpayment shall be repaid by the System to the General Revenue Fund as soon as practicable after the certification.

11 Sec. 14-132. Obligations of State; funding guarantee.

12 <u>(a)</u> The payment of the required department contributions, 13 all allowances, annuities, benefits granted under this 14 Article, and all expenses of administration of the system are 15 obligations of the State of Illinois to the extent specified in 16 this Article.

17 <u>(b)</u> All income of the system shall be credited to a 18 separate account for this system in the State treasury and 19 shall be used to pay allowances, annuities, benefits and 20 administration expense.

(c) Beginning July 1, 2014, the State shall be obligated to contribute to the System in each State fiscal year an amount not less than the sum of (i) the State's normal cost for the year and (ii) the portion of the unfunded accrued liability assigned to that year by law. Notwithstanding any other provision of law, if the State fails to pay an amount required under this subsection, it shall be the obligation of the Board to seek payment of the required amount in compliance with the provisions of this Section and, if the amount remains unpaid, to bring a mandamus action in the Supreme Court of Illinois to compel the State to make the required payment.

If the System submits a voucher for contributions required 7 under Section 14-131 and the State fails to pay that voucher 8 within 90 days of its receipt, the Board shall submit a written 9 10 request to the Comptroller seeking payment. A copy of the 11 request shall be filed with the Secretary of State, and the Secretary of State shall provide a copy to the Governor and 12 13 General Assembly. No earlier than the 16th day after the System 14 files the request with the Comptroller and Secretary of State, 15 if the amount remains unpaid the Board shall commence a 16 mandamus action in the Supreme Court of Illinois to compel the Comptroller to satisfy the voucher. 17

18 This subsection (c) constitutes an express waiver of the 19 State's sovereign immunity solely to the extent that it permits 20 the Board to commence a mandamus action in the Supreme Court of 21 Illinois to compel the Comptroller to pay a voucher for the 22 contributions required under Section 14-131.

(d) Beginning in State fiscal year 2016, the State shall be
 obligated to make the transfers set forth in subsections (c-5)
 and (c-10) of Section 20 of the Budget Stabilization Act and to
 pay to the System its proportionate share of the transferred

1 amounts in accordance with Section 25 of the Budget Stabilization Act. Notwithstanding any other provision of law, 2 if the State fails to transfer an amount required under this 3 4 subsection or to pay to the System its proportionate share of 5 the transferred amount in accordance with Section 25 of the Budget Stabilization Act, it shall be the obligation of the 6 Board to seek transfer or payment of the required amount in 7 compliance with the provisions of this Section and, if the 8 9 required amount remains untransferred or the required payment 10 remains unpaid, to bring a mandamus action in the Supreme Court 11 of Illinois to compel the State to make the required transfer or payment or both, as the case may be. 12

13 If the State fails to make a transfer required under 14 subsection (c-5) or (c-10) of Section 20 of the Budget 15 Stabilization Act or a payment to the System required under Section 25 of that Act, the Board shall submit a written 16 request to the Comptroller seeking payment. A copy of the 17 request shall be filed with the Secretary of State, and the 18 19 Secretary of State shall provide a copy to the Governor and 20 General Assembly. No earlier than the 16th day after the System 21 files the request with the Comptroller and Secretary of State, 22 if the required amount remains untransferred or the required payment remains unpaid, the Board shall commence a mandamus 23 24 action in the Supreme Court of Illinois to compel the 25 Comptroller to make the required transfer or payment or both, 26 as the case may be.

1	This subsection (d) constitutes an express waiver of the
2	State's sovereign immunity solely to the extent that it permits
3	the Board to commence a mandamus action in the Supreme Court of
4	Illinois to compel the Comptroller to make a transfer required
5	under subsection (c-5) or (c-10) of Section 20 of the Budget
6	Stabilization Act and to pay to the System its proportionate
7	share of the transferred amount in accordance with Section 25
8	of the Budget Stabilization Act.
9	The obligations created by this subsection (d) expire when
10	all of the requirements of subsections (c-5) and (c-10) of
11	Section 20 of the Budget Stabilization Act and Section 25 of
12	the Budget Stabilization Act have been met.
13	(e) Any payments and transfers required to be made by the
14	State pursuant to subsection (c) or (d) are expressly
15	subordinate to the payment of the principal, interest, and
16	premium, if any, on any bonded debt obligation of the State or

1 (40 ILCS 5/14-135.08) (from Ch. 108 1/2, par. 14-135.08) Sec. 14-135.08. To certify required State contributions. 2 3 (a) To certify to the Governor and to each department, on 4 or before November 15 of each year until November 15, 2011, the 5 required rate for State contributions to the System for the next State fiscal year, as determined under subsection (b) of 6 Section 14-131. The certification to the Governor under this 7 8 subsection (a) shall include a copy of the actuarial 9 recommendations upon which the rate is based and shall 10 specifically identify the System's projected State normal cost 11 for that fiscal year.

(a-5) On or before November 1 of each year, beginning 12 13 November 1, 2012, the Board shall submit to the State Actuary, 14 the Governor, and the General Assembly a proposed certification 15 of the amount of the required State contribution to the System 16 for the next fiscal year, along with all of the actuarial assumptions, calculations, and data upon which that proposed 17 certification is based. On or before January 1 of each year 18 beginning January 1, 2013, the State Actuary shall issue a 19 20 preliminary report concerning the proposed certification and 21 identifying, if necessary, recommended changes in actuarial 22 assumptions that the Board must consider before finalizing its 23 certification of the required State contributions. On or before 24 January 15, 2013 and each January 15 thereafter, the Board 25 shall certify to the Governor and the General Assembly the 26 amount of the required State contribution for the next fiscal

year. The Board's certification must note any deviations from the State Actuary's recommended changes, the reason or reasons for not following the State Actuary's recommended changes, and the fiscal impact of not following the State Actuary's recommended changes on the required State contribution.

6 (a-10) For purposes of Section (c-5) of Section 20 of the Budget Stabilization Act, on or before November 1 of each year 7 beginning November 1, 2014, the Board shall determine the 8 9 amount of the State contribution to the System that would have 10 been required for the next fiscal year if this amendatory Act 11 of the 98th General Assembly had not taken effect, using the best and most recent available data but based on the law in 12 13 effect on May 31, 2014. The Board shall submit to the State 14 Actuary, the Governor, and the General Assembly a proposed 15 certification, along with the relevant law, actuarial 16 assumptions, calculations, and data upon which that certification is based. On or before January 1, 2015 and every 17 January 1 thereafter, the State Actuary shall issue a 18 19 preliminary report concerning the proposed certification and 20 identifying, if necessary, recommended changes in actuarial assumptions that the Board must consider before finalizing its 21 22 certification. On or before January 15, 2015 and every January 1 thereafter, the Board shall certify to the Governor and the 23 24 General Assembly the amount of the State contribution to the 25 System that would have been required for the next fiscal year if this amendatory Act of the 98th General Assembly had not 26

1 taken effect, using the best and most recent available data but 2 based on the law in effect on May 31, 2014. The Board's 3 certification must note any deviations from the State Actuary's 4 recommended changes, the reason or reasons for not following 5 the State Actuary's recommended changes, and the impact of not 6 following the State Actuary's recommended changes.

(b) The certifications under subsections (a) and (a-5)7 shall include an additional amount necessary to pay all 8 9 principal of and interest on those general obligation bonds due 10 the next fiscal year authorized by Section 7.2(a) of the 11 General Obligation Bond Act and issued to provide the proceeds deposited by the State with the System in July 2003, 12 representing deposits other than amounts reserved under 13 Section 7.2(c) of the General Obligation Bond Act. For State 14 15 fiscal year 2005, the Board shall make a supplemental 16 certification of the additional amount necessary to pay all principal of and interest on those general obligation bonds due 17 in State fiscal years 2004 and 2005 authorized by Section 18 19 7.2(a) of the General Obligation Bond Act and issued to provide 20 the proceeds deposited by the State with the System in July 21 2003, representing deposits other than amounts reserved under 22 Section 7.2(c) of the General Obligation Bond Act, as soon as 23 practical after the effective date of this amendatory Act of 24 the 93rd General Assembly.

25 On or before May 1, 2004, the Board shall recalculate and 26 recertify to the Governor and to each department the amount of

-159- LRB098 05457 EFG 50220 c

the required State contribution to the System and the required rates for State contributions to the System for State fiscal year 2005, taking into account the amounts appropriated to and received by the System under subsection (d) of Section 7.2 of the General Obligation Bond Act.

6 On or before July 1, 2005, the Board shall recalculate and 7 recertify to the Governor and to each department the amount of 8 the required State contribution to the System and the required 9 rates for State contributions to the System for State fiscal 10 year 2006, taking into account the changes in required State 11 contributions made by this amendatory Act of the 94th General 12 Assembly.

On or before April 1, 2011, the Board shall recalculate and recertify to the Governor and to each department the amount of the required State contribution to the System for State fiscal year 2011, applying the changes made by Public Act 96-889 to the System's assets and liabilities as of June 30, 2009 as though Public Act 96-889 was approved on that date.

21 (40 ILCS 5/14-152.1)

Sec. 14-152.1. Application and expiration of new benefit increases.

(a) As used in this Section, "new benefit increase" meansan increase in the amount of any benefit provided under this

-160- LRB098 05457 EFG 50220 c

Article, or an expansion of the conditions of eligibility for any benefit under this Article, that results from an amendment to this Code that takes effect after June 1, 2005 (the effective date of Public Act 94-4). "New benefit increase", however, does not include any benefit increase resulting from the changes made to this Article by <u>Public Act 96-37 or by</u> this amendatory Act of the <u>98th</u> 96th General Assembly.

8 (b) Notwithstanding any other provision of this Code or any 9 subsequent amendment to this Code, every new benefit increase 10 is subject to this Section and shall be deemed to be granted 11 only in conformance with and contingent upon compliance with 12 the provisions of this Section.

13 (c) The Public Act enacting a new benefit increase must 14 identify and provide for payment to the System of additional 15 funding at least sufficient to fund the resulting annual 16 increase in cost to the System as it accrues.

Every new benefit increase is contingent upon the General 17 18 Assembly providing the additional funding required under this subsection. The Commission on Government Forecasting and 19 20 Accountability shall analyze whether adequate additional funding has been provided for the new benefit increase and 21 22 shall report its analysis to the Public Pension Division of the 23 Department of Insurance Financial and Professional Regulation. 24 A new benefit increase created by a Public Act that does not 25 include the additional funding required under this subsection is null and void. If the Public Pension Division determines 26

-161- LRB098 05457 EFG 50220 c

that the additional funding provided for a new benefit increase under this subsection is or has become inadequate, it may so certify to the Governor and the State Comptroller and, in the absence of corrective action by the General Assembly, the new benefit increase shall expire at the end of the fiscal year in which the certification is made.

7 (d) Every new benefit increase shall expire 5 years after 8 its effective date or on such earlier date as may be specified 9 in the language enacting the new benefit increase or provided 10 under subsection (c). This does not prevent the General 11 Assembly from extending or re-creating a new benefit increase 12 by law.

13 (e) Except as otherwise provided in the language creating 14 the new benefit increase, a new benefit increase that expires 15 under this Section continues to apply to persons who applied 16 and qualified for the affected benefit while the new benefit increase was in effect and to the affected beneficiaries and 17 alternate payees of such persons, but does not apply to any 18 19 other person, including without limitation a person who 20 continues in service after the expiration date and did not apply and qualify for the affected benefit while the new 21 benefit increase was in effect. 22

25 <u>Sec. 14-155.</u> Defined contribution plan.

-162- LRB098 05457 EFG 50220 c

1	(a) By July 1, 2015, the System shall prepare and implement
2	a voluntary defined contribution plan for up to 5% of eligible
3	active Tier 1 members. The System shall determine the 5% cap by
4	the number of active Tier 1 members on the effective date of
5	this Section. The defined contribution plan developed under
6	this Section shall be a plan that aggregates employer and
7	employee contributions in individual participant accounts
8	which, after meeting any other requirements, are used for
9	payouts after retirement in accordance with this Section and
10	any other applicable laws.
11	As used in this Section, "defined benefit plan" means the
12	retirement plan available under this Article to Tier 1 members
13	who have not made the election authorized under this Section.
14	(1) Under the defined contribution plan, an active Tier
15	<u>1 member of this System could elect to cease accruing</u>
16	benefits in the defined benefit plan under this Article and
17	begin accruing benefits for future service in the defined
18	contribution plan. Service credit under the defined
19	contribution plan may be used for determining retirement
20	eligibility under the defined benefit plan.
21	(2) Participants in the defined contribution plan
22	shall pay employee contributions at the same rate as Tier 1
23	members in this System who do not participate in the
24	defined contribution plan.
25	(3) State contributions shall be paid into the accounts
26	of all participants in the defined contribution plan at a

-163- LRB098 05457 EFG 50220 c

uniform rate, expressed as a percentage of compensation and 1 determined for each year. This rate shall be no higher than 2 the employer's normal cost for Tier 1 members in the 3 4 defined benefit plan for that year, as determined by the 5 System and expressed as a percentage of compensation, and shall be no lower than 3% of compensation. The State shall 6 7 adjust this rate annually. 8 (4) The defined contribution plan shall require 5 years 9 of participation in the defined contribution plan before 10 vesting in State contributions. If the participant fails to vest in them, the State contributions, and the earnings 11 12 thereon, shall be forfeited. 13 (5) The defined contribution plan may provide for 14 participants in the plan to be eligible for the defined 15 disability benefits available to other participants under this Article. If it does, the System shall reduce the 16 employee contributions credited to the member's defined 17 contribution plan account by an amount determined by the 18 19 System to cover the cost of offering such benefits. 20 (6) The defined contribution plan shall provide a variety of options for investments. These options shall 21 22 include investments handled by the Illinois State Board of 23 Investment as well as private sector investment options. 24 (7) The defined contribution plan shall provide a 25 variety of options for payouts to retirees and their 26 survivors.

-164- LRB098 05457 EFG 50220 c

1 (8) To the extent authorized under federal law and as authorized by the System, the plan shall allow former 2 participants in the plan to transfer or roll over employee 3 4 and vested State contributions, and the earnings thereon, 5 into other qualified retirement plans. (9) The System shall reduce the employee contributions 6 credited to the member's defined contribution plan account 7 8 by an amount determined by the System to cover the cost of 9 offering these benefits and any applicable administrative 10 fees. 11 (b) Only persons who are active Tier 1 members of the System on the effective date of this Section are eligible to 12 participate in the defined contribution plan. Participation in 13 14 the defined contribution plan shall be limited to the first 5% 15 of eligible persons who elect to participate. The election to 16 participate in the defined contribution plan is voluntary and 17 irrevocable. (c) An eligible Tier 1 employee may irrevocably elect to 18 19 participate in the defined contribution plan by filing with the System a written application to participate that is received by 20 21 the System prior to its determination that 5% of eligible 22 persons have elected to participate in the defined contribution 23 plan. 24 When the System first determines that 5% of eligible 25 persons have elected to participate in the defined contribution 26 plan, the System shall provide notice to previously eligible

1 <u>employees that the plan is no longer available and shall cease</u>
2 <u>accepting applications to participate.</u>

3 (d) The System shall make a good faith effort to contact 4 each active Tier 1 member who is eligible to participate in the 5 defined contribution plan. The System shall mail information 6 describing the option to join the defined contribution plan to each of these employees to his or her last known address on 7 file with the System. If the employee is not responsive to 8 9 other means of contact, it is sufficient for the System to 10 publish the details of the option on its website.

Upon request for further information describing the 11 option, the System shall provide employees with information 12 13 from the System before exercising the option to join the plan, 14 including information on the impact to their vested benefits or 15 non-vested service. The individual consultation shall include 16 projections of the member's defined benefits at retirement or earlier termination of service and the value of the member's 17 account at retirement or earlier termination of service. The 18 19 System shall not provide advice or counseling with respect to 20 whether the employee should exercise the option. The System 21 shall inform Tier 1 employees who are eligible to participate 22 in the defined contribution plan that they may also wish to obtain information and counsel relating to their option from 23 24 any other available source, including but not limited to labor 25 organizations, private counsel, and financial advisors.

26 (e) In no event shall the System, its staff, its authorized

representatives, or the Board be liable for any information given to an employee under this Section. The System may coordinate with the Illinois Department of Central Management Services and other retirement systems administering a defined contribution plan in accordance with this amendatory Act of the 98th General Assembly to provide information concerning the impact of the option set forth in this Section.

(f) Notwithstanding any other provision of this Section, no 8 9 person shall begin participating in the defined contribution 10 plan until it has attained qualified plan status and received all necessary approvals from the U.S. Internal Revenue Service. 11 (q) The System shall report on its progress under this 12 Section, including the available details of the defined 13 14 contribution plan and the System's plans for informing eligible 15 Tier 1 members about the plan, to the Governor and the General 16 Assembly on or before January 15, 2015.

17 (h) The Illinois State Board of Investments shall be the 18 plan sponsor for the defined contribution plan established 19 under this Section.

20 (i) The intent of this amendatory Act of the 98th General 21 Assembly is to ensure that the State's normal cost of 22 participation in the defined contribution plan is similar, and 23 if possible equal, to the State's normal cost of participation 24 in the defined benefit plan, unless a lower State's normal cost 25 is necessary to ensure cost neutrality. -167- LRB098 05457 EFG 50220 c

9 This amendatory Act of the 91st General Assembly is a 10 clarification of existing law and applies to every participant 11 and annuitant without regard to whether status as an employee 12 terminates before the effective date of this amendatory Act.

13 This Rule 2 does not apply to a person who first becomes an 14 employee under this Article on or after July 1, 2005.

15 Rule 3: The retirement annuity of a participant who is 16 employed at least one-half time during the period on which his or her final rate of earnings is based, shall be equal to the 17 participant's years of service not to exceed 30, multiplied by 18 (1) \$96 if the participant's final rate of earnings is less 19 20 than \$3,500, (2) \$108 if the final rate of earnings is at least \$3,500 but less than \$4,500, (3) \$120 if the final rate of 21 22 earnings is at least \$4,500 but less than \$5,500, (4) \$132 if 23 the final rate of earnings is at least \$5,500 but less than 24 \$6,500, (5) \$144 if the final rate of earnings is at least 25 \$6,500 but less than \$7,500, (6) \$156 if the final rate of earnings is at least \$7,500 but less than \$8,500, (7) \$168 if 26

Rule 4: A participant who is at least age 50 and has 25 or 7 8 more years of service as a police officer or firefighter, and a 9 participant who is age 55 or over and has at least 20 but less 10 than 25 years of service as a police officer or firefighter, 11 shall be entitled to a retirement annuity of 2 1/4% of the final rate of earnings for each of the first 10 years of 12 service as a police officer or firefighter, 2 1/2% for each of 13 14 the next 10 years of service as a police officer or 15 firefighter, and 2 3/4% for each year of service as a police 16 officer or firefighter in excess of 20. The retirement annuity for all other service shall be computed under Rule 1. A Tier 2 17 member is eligible for a retirement annuity calculated under 18 19 Rule 4 only if that Tier 2 member meets the service 20 requirements for that benefit calculation as prescribed under 21 this Rule 4 in addition to the applicable age requirement under subsection (a-5) of Section 15-135. 22

For purposes of this Rule 4, a participant's service as a firefighter shall also include the following:

12 (b) For a Tier 1 member, the retirement annuity provided 13 under Rules 1 and 3 above shall be reduced by 1/2 of 1% for each 14 month the participant is under age 60 at the time of 15 retirement. However, this reduction shall not apply in the 16 following cases:

17 (1) For a disabled participant whose disability
18 benefits have been discontinued because he or she has
19 exhausted eligibility for disability benefits under clause
20 (6) of Section 15-152;

(2) For a participant who has at least the number of
years of service required to retire at any age under
subsection (a) of Section 15-135; or

(3) For that portion of a retirement annuity which has
been provided on account of service of the participant
during periods when he or she performed the duties of a

-194- LRB098 05457 EFG 50220 c

police officer or firefighter, if these duties were performed for at least 5 years immediately preceding the date the retirement annuity is to begin.

4 (b-5) The retirement annuity of a Tier 2 member who is 5 retiring after attaining age 62 with at least 10 years of 6 service credit shall be reduced by 1/2 of 1% for each full 7 month that the member's age is under age 67.

8 (c) The maximum retirement annuity provided under Rules 1, 9 2, 4, and 5 shall be the lesser of (1) the annual limit of 10 benefits as specified in Section 415 of the Internal Revenue 11 Code of 1986, as such Section may be amended from time to time 12 and as such benefit limits shall be adjusted by the 13 Commissioner of Internal Revenue, and (2) 80% of final rate of 14 earnings.

15 (d) <u>This subsection (d) is subject to subsections (d-1) and</u> 16 <u>(d-2).</u> A Tier 1 member whose status as an employee terminates 17 after August 14, 1969 shall receive automatic increases in his 18 or her retirement annuity as follows:

19 Effective January 1 immediately following the date the 20 retirement annuity begins, the annuitant shall receive an 21 increase in his or her monthly retirement annuity of 0.125% of 22 the monthly retirement annuity provided under Rule 1, Rule 2, 23 Rule 3, or Rule 4 contained in this Section, multiplied by the 24 number of full months which elapsed from the date the 25 retirement annuity payments began to January 1, 1972, plus 0.1667% of such annuity, multiplied by the number of full 26

-195- LRB098 05457 EFG 50220 c

1 months which elapsed from January 1, 1972, or the date the 2 retirement annuity payments began, whichever is later, to 3 January 1, 1978, plus 0.25% of such annuity multiplied by the 4 number of full months which elapsed from January 1, 1978, or 5 the date the retirement annuity payments began, whichever is 6 later, to the effective date of the increase.

The annuitant shall receive an increase in his or her 7 8 monthly retirement annuity on each January 1 thereafter during 9 the annuitant's life of 3% of the monthly annuity provided 10 under Rule 1, Rule 2, Rule 3, or Rule 4 contained in this 11 Section. The change made under this subsection by P.A. 81-970 is effective January 1, 1980 and applies to each annuitant 12 13 whose status as an employee terminates before or after that 14 date.

Beginning January 1, 1990, all automatic annual increases payable under this Section shall be calculated as a percentage of the total annuity payable at the time of the increase, including all increases previously granted under this Article.

19 The change made in this subsection by P.A. 85-1008 is 20 effective January 26, 1988, and is applicable without regard to 21 whether status as an employee terminated before that date.

22 (d-1) Notwithstanding subsection (d), but subject to the 23 provisions of subsection (d-2), all automatic increases 24 payable under subsection (d) on or after the effective date of 25 this amendatory Act of the 98th General Assembly shall be 26 calculated as 3% of the lesser of (1) the total annuity payable

1 at the time of the increase, including previous increases granted, or (2) \$1,000 multiplied by the number of years of 2 3 creditable service upon which the annuity is based; however, in 4 the case of an initial increase subject to this subsection, the 5 amount of that increase shall be prorated if less than one year has elapsed since retirement. 6 Beginning January 1, 2016, the \$1,000 referred to in item 7 (2) of this subsection (d-1) shall be increased on each January 8 1 by the annual unadjusted percentage increase (but not less 9 10 than zero) in the consumer price index-u for the 12 months ending with the preceding September; these adjustments shall be 11 12 cumulative and compounded. For the purposes of this subsection 13 (d-1), "consumer price index-u" means the index published by 14 the Bureau of Labor Statistics of the United States Department 15 of Labor that measures the average change in prices of goods 16 and services purchased by all urban consumers, United States city average, all items, 1982-84 = 100. The new dollar amount 17 resulting from each annual adjustment shall be determined by 18 19 the Public Pension Division of the Department of Insurance and made available to the System by November 1 of each year. 20 This subsection (d-1) is applicable without regard to 21 22 whether the person is in service on or after the effective date 23 of this amendatory Act of the 98th General Assembly. 24 (d-2) Notwithstanding subsections (d) and (d-1), for an 25 active or inactive Tier 1 member who has not begun to receive a 26 retirement annuity under this Article before July 1, 2014:

(1) the automatic annual increase payable under 1 subsection (d) the second January following the date the 2 3 retirement annuity begins shall be equal to 0% of the total 4 annuity payable at the time of the increase, if he or she 5 is at least age 50 on the effective date of this amendatory 6 Act; 7 (2) the automatic annual increase payable under subsection (d) the second, fourth, and sixth January 8 following the <u>date the retirement annuity begins shall be</u> 9 10 equal to 0% of the total annuity payable at the time of the increase, if he or she is at least age 47 but less than age 11 12 50 on the effective date of this amendatory Act; (3) the automatic <u>annual increase payable under</u> 13 14 subsection (d) the second, fourth, sixth, and eighth 15 January following the date the retirement annuity begins shall be equal to 0% of the total annuity payable at the 16 time of the increase, if he or she is at least age 44 but 17 less than age 47 on the effective date of this amendatory 18 19 Act; 20 (4) the automatic annual increase payable under subsection (d) the second, fourth, sixth, eighth, and tenth 21 22 January following the date the retirement annuity begins shall be equal to 0% of the total annuity payable at the 23 24 time of the increase, if he or she is less than age 44 on 25 the effective date of this amendatory Act.

26 (d-5) A retirement annuity of a Tier 2 member shall receive

-198- LRB098 05457 EFG 50220 c

1 annual increases on the January 1 occurring either on or after the attainment of age 67 or the first anniversary of the 2 annuity start date, whichever is later. Each annual increase 3 4 shall be calculated at 3% or one half the annual unadjusted 5 percentage increase (but not less than zero) in the consumer price index-u for the 12 months ending with the September 6 preceding each November 1, whichever is less, of the originally 7 8 granted retirement annuity. Ιf the annual unadjusted 9 percentage change in the consumer price index-u for the 12 10 months ending with the September preceding each November 1 is 11 zero or there is a decrease, then the annuity shall not be increased. 12

13 (e) If, on January 1, 1987, or the date the retirement 14 annuity payment period begins, whichever is later, the sum of 15 the retirement annuity provided under Rule 1 or Rule 2 of this 16 Section and the automatic annual increases provided under the preceding subsection or Section 15-136.1, amounts to less than 17 18 the retirement annuity which would be provided by Rule 3, the 19 retirement annuity shall be increased as of January 1, 1987, or 20 the date the retirement annuity payment period begins, 21 whichever is later, to the amount which would be provided by Rule 3 of this Section. Such increased amount shall be 22 23 considered as the retirement annuity in determining benefits 24 provided under other Sections of this Article. This paragraph 25 applies without regard to whether status as an employee 26 terminated before the effective date of this amendatory Act of 1 1987, provided that the annuitant was employed at least 2 one-half time during the period on which the final rate of 3 earnings was based.

4 (f) A participant is entitled to such additional annuity as
5 may be provided on an actuarially equivalent basis, by any
6 accumulated additional contributions to his or her credit.
7 However, the additional contributions made by the participant
8 toward the automatic increases in annuity provided under this
9 Section shall not be taken into account in determining the
10 amount of such additional annuity.

11 (q) If, (1) by law, a function of a governmental unit, as defined by Section 20-107 of this Code, is transferred in whole 12 13 or in part to an employer, and (2) a participant transfers 14 employment from such governmental unit to such employer within 15 6 months after the transfer of the function, and (3) the sum of 16 (A) the annuity payable to the participant under Rule 1, 2, or 3 of this Section (B) all proportional annuities payable to the 17 18 participant by all other retirement systems covered by Article 20, and (C) the initial primary insurance amount to which the 19 20 participant is entitled under the Social Security Act, is less 21 than the retirement annuity which would have been payable if 22 all of the participant's pension credits validated under 23 Section 20-109 had been validated under this system, а 24 supplemental annuity equal to the difference in such amounts 25 shall be payable to the participant.

26

(h) On January 1, 1981, an annuitant who was receiving a

-200- LRB098 05457 EFG 50220 c

retirement annuity on or before January 1, 1971 shall have his or her retirement annuity then being paid increased \$1 per month for each year of creditable service. On January 1, 1982, an annuitant whose retirement annuity began on or before January 1, 1977, shall have his or her retirement annuity then being paid increased \$1 per month for each year of creditable service.

8 (i) On January 1, 1987, any annuitant whose retirement 9 annuity began on or before January 1, 1977, shall have the 10 monthly retirement annuity increased by an amount equal to 8¢ 11 per year of creditable service times the number of years that 12 have elapsed since the annuity began.

(j) For participants to whom subsection (a-3) of Section
14 <u>15-135 applies, the references to age 50, 55, and 62 in this</u>
15 <u>Section are increased as provided in subsection (a-3) of</u>
16 <u>Section 15-135.</u>

Sec. 15-155. Employer contributions.

(a) The State of Illinois shall make contributions by
appropriations of amounts which, together with the other
employer contributions from trust, federal, and other funds,
employee contributions, income from investments, and other
income of this System, will be sufficient to meet the cost of

maintaining and administering the System on a <u>100%</u> 90% funded basis in accordance with actuarial recommendations <u>by the end</u> of State fiscal year 2044.

The Board shall determine the amount of State contributions required for each fiscal year on the basis of the actuarial tables and other assumptions adopted by the Board and the recommendations of the actuary, using the formula in subsection (a-1).

9 (a-1) For State fiscal years 2015 through 2044, the minimum 10 contribution to the System to be made by the State for each 11 fiscal year shall be an amount determined by the System to be equal to the sum of (1) the State's portion of the projected 12 normal cost for that fiscal year, plus (2) an amount sufficient 13 14 to bring the total assets of the System up to 100% of the total 15 actuarial liabilities of the System by the end of the State fiscal year 2044. In making these determinations, the required 16 State contribution shall be calculated each year as a level 17 percentage of payroll over the years remaining to and including 18 fiscal year 2044 and shall be determined under the projected 19 20 unit cost method for fiscal year 2015 and under the entry age normal actuarial cost method for fiscal years 2016 through 21 22 2044.

For State fiscal years 2012 through <u>2014</u> 2045, the minimum contribution to the System to be made by the State for each fiscal year shall be an amount determined by the System to be sufficient to bring the total assets of the System up to 90% of

-202- LRB098 05457 EFG 50220 c

1 the total actuarial liabilities of the System by the end of 2 State fiscal year 2045. In making these determinations, the 3 required State contribution shall be calculated each year as a 4 level percentage of payroll over the years remaining to and 5 including fiscal year 2045 and shall be determined under the 6 projected unit credit actuarial cost method.

For State fiscal years 1996 through 2005, the State contribution to the System, as a percentage of the applicable employee payroll, shall be increased in equal annual increments so that by State fiscal year 2011, the State is contributing at the rate required under this Section.

Notwithstanding any other provision of this Article, the total required State contribution for State fiscal year 2006 is \$166,641,900.

Notwithstanding any other provision of this Article, the total required State contribution for State fiscal year 2007 is \$252,064,100.

For each of State fiscal years 2008 through 2009, the State contribution to the System, as a percentage of the applicable employee payroll, shall be increased in equal annual increments from the required State contribution for State fiscal year 2007, so that by State fiscal year 2011, the State is contributing at the rate otherwise required under this Section.

Notwithstanding any other provision of this Article, the total required State contribution for State fiscal year 2010 is \$702,514,000 and shall be made from the State Pensions Fund and

-203- LRB098 05457 EFG 50220 c

proceeds of bonds sold in fiscal year 2010 pursuant to Section 7.2 of the General Obligation Bond Act, less (i) the pro rata share of bond sale expenses determined by the System's share of total bond proceeds, (ii) any amounts received from the General Revenue Fund in fiscal year 2010, (iii) any reduction in bond proceeds due to the issuance of discounted bonds, if applicable.

8 Notwithstanding any other provision of this Article, the 9 total required State contribution for State fiscal year 2011 is 10 the amount recertified by the System on or before April 1, 2011 11 pursuant to Section 15-165 and shall be made from the State Pensions Fund and proceeds of bonds sold in fiscal year 2011 12 pursuant to Section 7.2 of the General Obligation Bond Act, 13 less (i) the pro rata share of bond sale expenses determined by 14 15 the System's share of total bond proceeds, (ii) any amounts 16 received from the General Revenue Fund in fiscal year 2011, and (iii) any reduction in bond proceeds due to the issuance of 17 discounted bonds, if applicable. 18

Beginning in State fiscal year 2045, the minimum contribution for each fiscal year shall be the amount needed to maintain the total assets of the System at 100% of the total liabilities of the System.

23 Beginning in State fiscal year 2046, the minimum State 24 contribution for each fiscal year shall be the amount needed to 25 maintain the total assets of the System at 90% of the total 26 actuarial liabilities of the System.

-204- LRB098 05457 EFG 50220 c

1 Amounts received by the System pursuant to Section 25 of the Budget Stabilization Act or Section 8.12 of the State 2 Finance Act in any fiscal year do not reduce and do not 3 4 constitute payment of any portion of the minimum State 5 contribution required under this Article in that fiscal year. 6 Such amounts shall not reduce, and shall not be included in the calculation of, the required State contributions under this 7 8 Article in any future year until the System has reached a 9 funding ratio of at least 100% 90%. A reference in this Article 10 to the "required State contribution" or any substantially 11 similar term does not include or apply to any amounts payable to the System under Section 25 of the Budget Stabilization Act. 12

13 Notwithstanding any other provision of this Section, the required State contribution for State fiscal year 2005 and for 14 15 fiscal year 2008 and each fiscal year thereafter through State 16 fiscal year 2014, as calculated under this Section and certified under Section 15-165, shall not exceed an amount 17 18 equal to (i) the amount of the required State contribution that would have been calculated under this Section for that fiscal 19 20 year if the System had not received any payments under subsection (d) of Section 7.2 of the General Obligation Bond 21 Act, minus (ii) the portion of the State's total debt service 22 23 payments for that fiscal year on the bonds issued in fiscal 24 year 2003 for the purposes of that Section 7.2, as determined 25 and certified by the Comptroller, that is the same as the 26 System's portion of the total moneys distributed under

-205- LRB098 05457 EFG 50220 c

1 subsection (d) of Section 7.2 of the General Obligation Bond Act. In determining this maximum for State fiscal years 2008 2 through 2010, however, the amount referred to in item (i) shall 3 4 be increased, as a percentage of the applicable employee 5 payroll, in equal increments calculated from the sum of the required State contribution for State fiscal year 2007 plus the 6 applicable portion of the State's total debt service payments 7 8 for fiscal year 2007 on the bonds issued in fiscal year 2003 9 for the purposes of Section 7.2 of the General Obligation Bond 10 Act, so that, by State fiscal year 2011, the State is 11 contributing at the rate otherwise required under this Section.

(b) If an employee is paid from trust or federal funds, the 12 13 employer shall pay to the Board contributions from those funds 14 which are sufficient to cover the accruing normal costs on 15 behalf of the employee. However, universities having employees 16 who are compensated out of local auxiliary funds, income funds, or service enterprise funds are not required to pay such 17 18 contributions on behalf of those employees. The local auxiliary 19 funds, income funds, and service enterprise funds of 20 universities shall not be considered trust funds for the purpose of this Article, but funds of alumni associations, 21 foundations, and athletic associations which are affiliated 22 23 with the universities included as employers under this Article 24 and other employers which do not receive State appropriations 25 are considered to be trust funds for the purpose of this 26 Article.

-206- LRB098 05457 EFG 50220 c

1 (b-1) The City of Urbana and the City of Champaign shall each make employer contributions to this System for their 2 respective firefighter employees who participate in this 3 4 System pursuant to subsection (h) of Section 15-107. The rate 5 of contributions to be made by those municipalities shall be 6 determined annually by the Board on the basis of the actuarial assumptions adopted by the Board and the recommendations of the 7 8 actuary, and shall be expressed as a percentage of salary for 9 each such employee. The Board shall certify the rate to the 10 affected municipalities as soon as may be practical. The 11 employer contributions required under this subsection shall be remitted by the municipality to the System at the same time and 12 13 in the same manner as employee contributions.

(c) Through State fiscal year 1995: The total employer 14 15 contribution shall be apportioned among the various funds of 16 the State and other employers, whether trust, federal, or other funds, in accordance with actuarial procedures approved by the 17 Board. State of Illinois contributions for employers receiving 18 19 State appropriations for personal services shall be payable 20 from appropriations made to the employers or to the System. The 21 contributions for Class I community colleges covering earnings 22 other than those paid from trust and federal funds, shall be 23 payable solely from appropriations to the Illinois Community 24 College Board or the System for employer contributions.

(d) Beginning in State fiscal year 1996, the required State
 contributions to the System shall be appropriated directly to

-207- LRB098 05457 EFG 50220 c

1 the System and shall be payable through vouchers issued in 2 accordance with subsection (c) of Section 15-165, except as 3 provided in subsection (g).

4 (e) The State Comptroller shall draw warrants payable to 5 the System upon proper certification by the System or by the 6 employer in accordance with the appropriation laws and this 7 Code.

8 (f) Normal costs under this Section means liability for 9 pensions and other benefits which accrues to the System because 10 of the credits earned for service rendered by the participants 11 during the fiscal year and expenses of administering the System, but shall not include the principal of or 12 anv 13 redemption premium or interest on any bonds issued by the Board 14 or any expenses incurred or deposits required in connection 15 therewith.

16 (g) If the amount of a participant's earnings for any 17 academic year used to determine the final rate of earnings, 18 determined on a full-time equivalent basis, exceeds the amount 19 of his or her earnings with the same employer for the previous 20 academic year, determined on a full-time equivalent basis, by 21 more than 6%, the participant's employer shall pay to the 22 System, in addition to all other payments required under this 23 Section and in accordance with guidelines established by the 24 System, the present value of the increase in benefits resulting 25 from the portion of the increase in earnings that is in excess 26 of 6%. This present value shall be computed by the System on

-208- LRB098 05457 EFG 50220 c

1 the basis of the actuarial assumptions and tables used in the 2 most recent actuarial valuation of the System that is available 3 at the time of the computation. The System may require the 4 employer to provide any pertinent information or 5 documentation.

Whenever it determines that a payment is or may be required 6 under this subsection (g), the System shall calculate the 7 8 amount of the payment and bill the employer for that amount. The bill shall specify the calculations used to determine the 9 10 amount due. If the employer disputes the amount of the bill, it 11 may, within 30 days after receipt of the bill, apply to the System in writing for a recalculation. The application must 12 13 specify in detail the grounds of the dispute and, if the employer asserts that the calculation is subject to subsection 14 15 (h) or (i) of this Section, must include an affidavit setting 16 forth and attesting to all facts within the employer's 17 knowledge that are pertinent to the applicability of subsection 18 (i). Upon receiving a timely application for (h) or 19 recalculation, the System shall review the application and, if 20 appropriate, recalculate the amount due.

The employer contributions required under this subsection (g) may be paid in the form of a lump sum within 90 days after receipt of the bill. If the employer contributions are not paid within 90 days after receipt of the bill, then interest will be charged at a rate equal to the System's annual actuarially assumed rate of return on investment compounded annually from 1 the 91st day after receipt of the bill. Payments must be 2 concluded within 3 years after the employer's receipt of the 3 bill.

(h) This subsection (h) applies only to payments made or
salary increases given on or after June 1, 2005 but before July
1, 2011. The changes made by Public Act 94-1057 shall not
require the System to refund any payments received before July
31, 2006 (the effective date of Public Act 94-1057).

9 When assessing payment for any amount due under subsection 10 (g), the System shall exclude earnings increases paid to 11 participants under contracts or collective bargaining 12 agreements entered into, amended, or renewed before June 1, 13 2005.

When assessing payment for any amount due under subsection (g), the System shall exclude earnings increases paid to a participant at a time when the participant is 10 or more years from retirement eligibility under Section 15-135.

18 When assessing payment for any amount due under subsection (q), the System shall exclude earnings increases resulting from 19 20 overload work, including a contract for summer teaching, or 21 overtime when the employer has certified to the System, and the 22 System has approved the certification, that: (i) in the case of 23 overloads (A) the overload work is for the sole purpose of 24 academic instruction in excess of the standard number of 25 instruction hours for a full-time employee occurring during the 26 academic year that the overload is paid and (B) the earnings

-210- LRB098 05457 EFG 50220 c

increases are equal to or less than the rate of pay for academic instruction computed using the participant's current salary rate and work schedule; and (ii) in the case of overtime, the overtime was necessary for the educational mission.

When assessing payment for any amount due under subsection 6 (g), the System shall exclude any earnings increase resulting 7 8 from (i) a promotion for which the employee moves from one 9 classification to a higher classification under the State 10 Universities Civil Service System, (ii) a promotion in academic 11 rank for a tenured or tenure-track faculty position, or (iii) a promotion that the Illinois Community College Board has 12 13 recommended in accordance with subsection (k) of this Section. 14 These earnings increases shall be excluded only if the 15 promotion is to a position that has existed and been filled by 16 a member for no less than one complete academic year and the earnings increase as a result of the promotion is an increase 17 18 that results in an amount no greater than the average salary 19 paid for other similar positions.

(i) When assessing payment for any amount due under subsection (g), the System shall exclude any salary increase described in subsection (h) of this Section given on or after July 1, 2011 but before July 1, 2014 under a contract or collective bargaining agreement entered into, amended, or renewed on or after June 1, 2005 but before July 1, 2011. Notwithstanding any other provision of this Section, any

(k) The Illinois Community College Board shall adopt rules 19 20 for recommending lists of promotional positions submitted to 21 the Board by community colleges and for reviewing the 22 promotional lists on an annual basis. When recommending 23 promotional lists, the Board shall consider the similarity of 24 the positions submitted to those positions recognized for State 25 universities by the State Universities Civil Service System. 26 The Illinois Community College Board shall file a copy of its

findings with the System. The System shall consider the findings of the Illinois Community College Board when making determinations under this Section. The System shall not exclude any earnings increases resulting from a promotion when the promotion was not submitted by a community college. Nothing in this subsection (k) shall require any community college to submit any information to the Community College Board.

8 (1) For purposes of determining the required State 9 contribution to the System, the value of the System's assets 10 shall be equal to the actuarial value of the System's assets, 11 which shall be calculated as follows:

As of June 30, 2008, the actuarial value of the System's assets shall be equal to the market value of the assets as of that date. In determining the actuarial value of the System's assets for fiscal years after June 30, 2008, any actuarial gains or losses from investment return incurred in a fiscal year shall be recognized in equal annual amounts over the 5-year period following that fiscal year.

(m) For purposes of determining the required State contribution to the system for a particular year, the actuarial value of assets shall be assumed to earn a rate of return equal to the system's actuarially assumed rate of return.

Notwithstanding any other provision of law, if the State fails to transfer an amount required under this 17 subsection or to pay to the System its proportionate share of 18 19 the transferred amount in accordance with Section 25 of the 20 Budget Stabilization Act, it shall be the obligation of the Board to seek transfer or payment of the required amount in 21 22 compliance with the provisions of this Section and, if the required amount remains untransferred or the required payment 23 24 remains unpaid, to bring a mandamus action in the Supreme Court 25 of Illinois to compel the State to make the required transfer or payment or both, as the case may be. 26

17 Sec. 15-157. Employee Contributions.

Except as provided in subsection (a-5), each Each 18 (a) 19 participating employee shall make contributions towards the 20 retirement benefits payable under the retirement program 21 applicable to the employee from each payment of earnings 22 applicable to employment under this system on and after the 23 date of becoming a participant as follows: Prior to September 1, 1949, 3 1/2% of earnings; from September 1, 1949 to August 24 25 31, 1955, 5%; from September 1, 1955 to August 31, 1969, 6%;

1 from September 1, 1969, 6 1/2%. These contributions are to be 2 considered as normal contributions for purposes of this 3 Article.

4 Except as provided in subsection (a-5), each Each 5 participant who is a police officer or firefighter shall make normal contributions of 8% of each payment of earnings 6 applicable to employment as a police officer or firefighter 7 under this system on or after September 1, 1981, unless he or 8 9 she files with the board within 60 days after the effective 10 date of this amendatory Act of 1991 or 60 days after the board 11 receives notice that he or she is employed as a police officer or firefighter, whichever is later, a written notice waiving 12 the retirement formula provided by Rule 4 of Section 15-136. 13 14 This waiver shall be irrevocable. If a participant had met the 15 conditions set forth in Section 15-132.1 prior to the effective 16 date of this amendatory Act of 1991 but failed to make the 17 additional normal contributions required by this paragraph, he or she may elect to pay the additional contributions plus 18 compound interest at the effective rate. If such payment is 19 20 received by the board, the service shall be considered as police officer service in calculating the retirement annuity 21 22 under Rule 4 of Section 15-136. While performing service 23 described in clause (i) or (ii) of Rule 4 of Section 15-136, a 24 participating employee shall be deemed to be employed as a 25 firefighter for the purpose of determining the rate of employee contributions under this Section. 26

-218- LRB098 05457 EFG 50220 c

1 <u>(a-5) Beginning July 1, 2014, in lieu of the contribution</u> 2 <u>otherwise required under subsection (a), each Tier 1 member,</u> 3 <u>other than a Tier 1 member who is a police officer or</u> 4 <u>firefighter, shall contribute 6% of earnings toward the</u> 5 <u>retirement benefits payable under the retirement programs</u> 6 <u>applicable to the employee from each payment of earnings</u> 7 <u>applicable to employment under this system.</u>

8 <u>Beginning July 1, 2014, in lieu of the contribution</u> 9 <u>otherwise required under subsection (a), each Tier 1 member who</u> 10 <u>is a police officer or firefighter shall contribute 7.5% of</u> 11 <u>each payment of earnings applicable to employment as a police</u> 12 <u>officer or firefighter under this system, unless he or she has</u> 13 <u>filed a waiver with the board pursuant to subsection (a).</u>

14 <u>The contributions required under this subsection (a-5) are</u> 15 <u>to be considered normal contributions for the purposes of this</u> 16 <u>Article.</u>

(b) Starting September 1, 1969 and, in the case of Tier 1 17 members, ending on June 30, 2014, each participating employee 18 shall make additional contributions of 1/2 of 1% of earnings to 19 20 finance a portion of the cost of the annual increases in retirement annuity provided under Section 15-136, except that 21 with respect to participants in the self-managed plan this 22 additional contribution shall be used to finance the benefits 23 24 obtained under that retirement program.

(c) In addition to the amounts described in subsections (a)and (b) of this Section, each participating employee shall make

1 contributions of 1% of earnings applicable under this system on and after August 1, 1959. The contributions made under this 2 subsection (c) shall be considered as survivor's insurance 3 4 contributions for purposes of this Article if the employee is 5 covered under the traditional benefit package, and such contributions shall be considered as additional contributions 6 for purposes of this Article if the employee is participating 7 8 in the self-managed plan or has elected to participate in the 9 portable benefit package and has completed the applicable 10 one-year waiting period. Contributions in excess of \$80 during 11 any fiscal year beginning before August 31, 1969 and in excess of \$120 during any fiscal year thereafter until September 1, 12 1971 shall be considered as additional contributions for 13 14 purposes of this Article.

(d) If the board by board rule so permits and subject to such conditions and limitations as may be specified in its rules, a participant may make other additional contributions of such percentage of earnings or amounts as the participant shall elect in a written notice thereof received by the board.

(e) That fraction of a participant's total accumulated normal contributions, the numerator of which is equal to the number of years of service in excess of that which is required to qualify for the maximum retirement annuity, and the denominator of which is equal to the total service of the participant, shall be considered as accumulated additional contributions. The determination of the applicable maximum 1 annuity and the adjustment in contributions required by this
2 provision shall be made as of the date of the participant's
3 retirement.

4 (f) Notwithstanding the foregoing, a participating 5 employee shall not be required to make contributions under this 6 Section after the date upon which continuance of such 7 contributions would otherwise cause his or her retirement 8 annuity to exceed the maximum retirement annuity as specified 9 in clause (1) of subsection (c) of Section 15-136.

10 (g) A participating employee may make contributions for the 11 purchase of service credit under this Article.

12 (h) A Tier 2 member shall not make contributions on 13 earnings that exceed the limitation as prescribed under 14 subsection (b) of Section 15-111 of this Article.

Sec. 15-165. To certify amounts and submit vouchers.
(a) The Board shall certify to the Governor on or before
November 15 of each year until November 15, 2011 the

appropriation required from State funds for the purposes of this System for the following fiscal year. The certification under this subsection (a) shall include a copy of the actuarial recommendations upon which it is based and shall specifically identify the System's projected State normal cost for that fiscal year and the projected State cost for the self-managed plan for that fiscal year.

8 On or before May 1, 2004, the Board shall recalculate and 9 recertify to the Governor the amount of the required State 10 contribution to the System for State fiscal year 2005, taking 11 into account the amounts appropriated to and received by the 12 System under subsection (d) of Section 7.2 of the General 13 Obligation Bond Act.

On or before July 1, 2005, the Board shall recalculate and recertify to the Governor the amount of the required State contribution to the System for State fiscal year 2006, taking into account the changes in required State contributions made by this amendatory Act of the 94th General Assembly.

On or before April 1, 2011, the Board shall recalculate and recertify to the Governor the amount of the required State contribution to the System for State fiscal year 2011, applying the changes made by Public Act 96-889 to the System's assets and liabilities as of June 30, 2009 as though Public Act 96-889 was approved on that date.

25 (a-5) On or before November 1 of each year, beginning
26 November 1, 2012, the Board shall submit to the State Actuary,

1 the Governor, and the General Assembly a proposed certification of the amount of the required State contribution to the System 2 for the next fiscal year, along with all of the actuarial 3 4 assumptions, calculations, and data upon which that proposed 5 certification is based. On or before January 1 of each year, 6 beginning January 1, 2013, the State Actuary shall issue a 7 preliminary report concerning the proposed certification and identifying, if necessary, recommended changes in actuarial 8 9 assumptions that the Board must consider before finalizing its 10 certification of the required State contributions. On or before 11 January 15, 2013 and each January 15 thereafter, the Board shall certify to the Governor and the General Assembly the 12 13 amount of the required State contribution for the next fiscal year. The Board's certification must note, in a written 14 15 response to the State Actuary, any deviations from the State 16 Actuary's recommended changes, the reason or reasons for not following the State Actuary's recommended changes, and the 17 18 fiscal impact of not following the State Actuary's recommended 19 changes on the required State contribution.

20 <u>(a-10) For purposes of Section (c-5) of Section 20 of the</u> 21 <u>Budget Stabilization Act, on or before November 1 of each year</u> 22 <u>beginning November 1, 2014, the Board shall determine the</u> 23 <u>amount of the State contribution to the System that would have</u> 24 <u>been required for the next fiscal year if this amendatory Act</u> 25 <u>of the 98th General Assembly had not taken effect, using the</u> 26 <u>best and most recent available data but based on the law in</u>

effect on May 31, 2014. The Board shall submit to the State 1 Actuary, the Governor, and the General Assembly a proposed 2 certification, along with the relevant law, actuarial 3 4 assumptions, calculations, and data upon which that 5 certification is based. On or before January 1, 2015 and every January 1 thereafter, the State Actuary shall issue a 6 preliminary report concerning the proposed certification and 7 identifying, if necessary, recommended changes in actuarial 8 9 assumptions that the Board must consider before finalizing its 10 certification. On or before January 15, 2015 and every January 11 1 thereafter, the Board shall certify to the Governor and the General Assembly the amount of the State contribution to the 12 13 System that would have been required for the next fiscal year 14 if this amendatory Act of the 98th General Assembly had not 15 taken effect, using the best and most recent available data but based on the law in effect on May 31, 2014. The Board's 16 certification must note any deviations from the State Actuary's 17 recommended changes, the reason or reasons for not following 18 19 the State Actuary's recommended changes, and the impact of not 20 following the State Actuary's recommended changes.

(b) The Board shall certify to the State Comptroller or employer, as the case may be, from time to time, by its chairperson and secretary, with its seal attached, the amounts payable to the System from the various funds.

(c) Beginning in State fiscal year 1996, on or as soon as
possible after the 15th day of each month the Board shall

-224- LRB098 05457 EFG 50220 c

1 submit vouchers for payment of State contributions to the System, in a total monthly amount of one-twelfth of 2 the required annual State contribution certified under subsection 3 4 (a). From the effective date of this amendatory Act of the 93rd 5 General Assembly through June 30, 2004, the Board shall not submit vouchers for the remainder of fiscal year 2004 in excess 6 the fiscal vear 2004 certified contribution 7 of amount 8 determined under this Section after taking into consideration 9 the transfer to the System under subsection (b) of Section 10 6z-61 of the State Finance Act. These vouchers shall be paid by 11 the State Comptroller and Treasurer by warrants drawn on the funds appropriated to the System for that fiscal year. 12

13 If in any month the amount remaining unexpended from all 14 other appropriations to the System for the applicable fiscal 15 year (including the appropriations to the System under Section 16 8.12 of the State Finance Act and Section 1 of the State Pension Funds Continuing Appropriation Act) is less than the 17 18 amount lawfully vouchered under this Section, the difference 19 shall be paid from the General Revenue Fund under the 20 continuing appropriation authority provided in Section 1.1 of 21 the State Pension Funds Continuing Appropriation Act.

(d) So long as the payments received are the full amount lawfully vouchered under this Section, payments received by the System under this Section shall be applied first toward the employer contribution to the self-managed plan established under Section 15-158.2. Payments shall be applied second toward

-225- LRB098 05457 EFG 50220 c

the employer's portion of the normal costs of the System, as defined in subsection (f) of Section 15-155. The balance shall be applied toward the unfunded actuarial liabilities of the System.

5 (e) In the event that the System does not receive, as a legislative enactment or otherwise, 6 result of payments sufficient to fully fund the employer contribution to the 7 8 self-managed plan established under Section 15-158.2 and to 9 fully fund that portion of the employer's portion of the normal 10 costs of the System, as calculated in accordance with Section 11 15-155(a-1), then any payments received shall be applied proportionately to the optional retirement program established 12 13 under Section 15-158.2 and to the employer's portion of the normal costs of the System, as calculated in accordance with 14 15 Section 15-155(a-1).

Sec. 15-198. Application and expiration of new benefit increases.

(a) As used in this Section, "new benefit increase" means
an increase in the amount of any benefit provided under this
Article, or an expansion of the conditions of eligibility for
any benefit under this Article, that results from an amendment
to this Code that takes effect after the effective date of this
amendatory Act of the 94th General Assembly. "New benefit

<u>increase</u>", however, does not include any benefit increase
 <u>resulting from the changes made by this amendatory Act of the</u>
 98th General Assembly.

(b) Notwithstanding any other provision of this Code or any
subsequent amendment to this Code, every new benefit increase
is subject to this Section and shall be deemed to be granted
only in conformance with and contingent upon compliance with
the provisions of this Section.

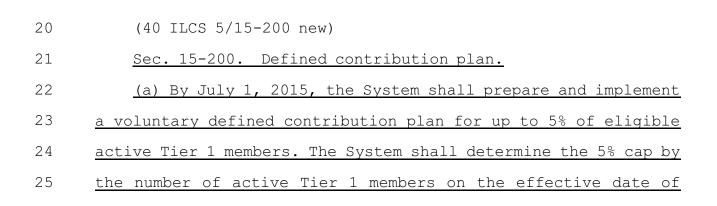

9 (c) The Public Act enacting a new benefit increase must 10 identify and provide for payment to the System of additional 11 funding at least sufficient to fund the resulting annual 12 increase in cost to the System as it accrues.

13 Every new benefit increase is contingent upon the General 14 Assembly providing the additional funding required under this 15 subsection. The Commission on Government Forecasting and 16 Accountability shall analyze whether adequate additional funding has been provided for the new benefit increase and 17 18 shall report its analysis to the Public Pension Division of the Department of Insurance Financial and Professional Regulation. 19 20 A new benefit increase created by a Public Act that does not 21 include the additional funding required under this subsection is null and void. If the Public Pension Division determines 22 23 that the additional funding provided for a new benefit increase 24 under this subsection is or has become inadequate, it may so 25 certify to the Governor and the State Comptroller and, in the 26 absence of corrective action by the General Assembly, the new benefit increase shall expire at the end of the fiscal year in
 which the certification is made.

3 (d) Every new benefit increase shall expire 5 years after 4 its effective date or on such earlier date as may be specified 5 in the language enacting the new benefit increase or provided 6 under subsection (c). This does not prevent the General 7 Assembly from extending or re-creating a new benefit increase 8 by law.

9 (e) Except as otherwise provided in the language creating 10 the new benefit increase, a new benefit increase that expires 11 under this Section continues to apply to persons who applied and gualified for the affected benefit while the new benefit 12 13 increase was in effect and to the affected beneficiaries and 14 alternate payees of such persons, but does not apply to any 15 other person, including without limitation a person who 16 continues in service after the expiration date and did not apply and qualify for the affected benefit while the new 17 benefit increase was in effect. 18

1 this Section. The defined contribution plan developed under this Section shall be a plan that aggregates employer and 2 employee contributions in individual participant accounts 3 4 which, after meeting any other requirements, are used for 5 payouts after retirement in accordance with this Section and 6 any other applicable laws. As used in this Section, "defined benefit plan" means the 7 8 retirement plan available under this Article to Tier 1 members 9 who have not made the election authorized under this Section. 10 (1) Under the defined contribution plan, an active Tier 1 member of this System could elect to cease accruing 11 12 benefits in the defined benefit plan under this Article and begin accruing benefits for future service in the defined 13 14 contribution plan. Service credit under the defined 15 contribution plan may be used for determining retirement eligibility under the defined benefit plan. An active Tier 16 1 member who elects to cease accruing benefits in his or 17 her defined benefit plan shall be prohibited from 18 19 purchasing service credit on or after the date of his or 20 her election. A Tier 1 member making the irrevocable 21 election provided under this Section shall not receive 22 interest accruals to his or her Rule 2 benefit on or after 23 the date of his or her election.

24 (2) Participants in the defined contribution plan
 25 shall pay employee contributions at the same rate as other
 26 participants under this Article as determined by the

2 (3) State contributions shall be paid into the accounts 3 of all participants in the defined contribution plan at a uniform rate, expressed as a percentage of earnings and 4 5 determined for each year. This rate shall be no higher than the employer's normal cost for Tier 1 members in the 6 defined benefit plan for that year, as determined by the 7 8 System and expressed as a percentage of earnings, and shall 9 be no lower than 3% of earnings. The State shall adjust 10 this rate annually.

11 <u>(4) The defined contribution plan shall require 5 years</u> 12 <u>of participation in the defined contribution plan before</u> 13 <u>vesting in State contributions. If the participant fails to</u> 14 <u>vest in them, the State contributions, and the earnings</u> 15 <u>thereon, shall be forfeited.</u>

16 (5) The defined contribution plan may provide for 17 participants in the plan to be eliqible for the defined 18 disability benefits available to other participants under 19 this Article. If it does, the System shall reduce the 20 employee contributions credited to the member's defined 21 contribution plan account by an amount determined by the 22 System to cover the cost of offering such benefits.

(6) The defined contribution plan shall provide a
 variety of options for investments. These options shall
 include investments handled by the System as well as
 private sector investment options.

-230- LRB098 05457 EFG 50220 c

1 (7) The defined contribution plan shall provide a variety of options for payouts to retirees and their 2 3 survivors. 4 (8) To the extent authorized under federal law and as 5 authorized by the System, the plan shall allow former participants in the plan to transfer or roll over employee 6 and vested State contributions, and the earnings thereon, 7 8 into other qualified retirement plans. 9 (9) The System shall reduce the employee contributions 10 credited to the member's defined contribution plan account by an amount determined by the System to cover the cost of 11 offering these benefits and any applicable administrative 12 13 fees. 14 (b) Only persons who are active Tier 1 members of the 15 System on the effective date of this Section are eligible to 16 participate in the defined contribution plan. Participation in the defined contribution plan shall be limited to the first 5% 17 of eligible persons who elect to participate. The election to 18 19 participate in the defined contribution plan is voluntary and 20 irrevocable. 6 (d) The System shall make a good faith effort to contact each active Tier 1 member who is eligible to participate in the 7 defined contribution plan. The System shall mail information 8 9 describing the option to join the defined contribution plan to 10 each of these employees to his or her last known address on file with the System. If the employee is not responsive to 11 other means of contact, it is sufficient for the System to 12 13 publish the details of the option on its website.

14 Upon request for further information describing the 15 option, the System shall provide employees with information 16 from the System before exercising the option to join the plan, including information on the impact to their vested benefits or 17 non-vested service. The individual consultation shall include 18 projections of the member's defined benefits at retirement or 19 20 earlier termination of service and the value of the member's 21 account at retirement or earlier termination of service. The 22 System shall not provide advice or counseling with respect to whether the employee should exercise the option. The System 23 24 shall inform Tier 1 employees who are eligible to participate 25 in the defined contribution plan that they may also wish to 26 obtain information and counsel relating to their option from

1	any other available source, including but not limited to labor
2	organizations, private counsel, and financial advisors.
3	(e) In no event shall the System, its staff, its authorized
4	representatives, or the Board be liable for any information

6	coordinate with the Illinois Department of Central Management
7	Services and other retirement systems administering a defined
8	contribution plan in accordance with this amendatory Act of the
9	98th General Assembly to provide information concerning the
10	impact of the option set forth in this Section.
11	(f) Notwithstanding any other provision of this Section, no
12	person shall begin participating in the defined contribution
13	plan until it has attained qualified plan status and received
14	all necessary approvals from the U.S. Internal Revenue Service.
15	(q) The System shall report on its progress under this
16	Section, including the available details of the defined
17	contribution plan and the System's plans for informing eligible
18	Tier 1 members about the plan, to the Governor and the General
19	Assembly on or before January 15, 2015.
20	(h) If an active Tier 1 member has not made an election
21	under Section 15-134.5 of this Code, then the plan prescribed
22	under this Section shall not apply to that Tier 1 member and
23	that Tier 1 member shall remain eligible to make the election

24 prescribed under Section 15-134.5.

26 Assembly is to ensure that the State's normal cost of

-233- LRB098 05457 EFG 50220 c

participation in the defined contribution plan is similar, and if possible equal, to the State's normal cost of participation in the defined benefit plan, unless a lower State's normal cost is necessary to ensure cost neutrality.

(1) Prior service as a teacher.

(2) Service in a capacity essentially similar or 7 equivalent to that of a teacher, in the public common 8 9 schools in school districts in this State not included 10 within the provisions of this System, or of any other State, territory, dependency or possession of the United 11 States, or in schools operated by or under the auspices of 12 13 the United States, or under the auspices of any agency or 14 department of any other State, and service during any 15 period of professional speech correction or special 16 education experience for a public agency within this State or any other State, territory, dependency or possession of 17 18 the United States, and service prior to February 1, 1951 as 19 a recreation worker for the Illinois Department of Public 20 Safety, for a period not exceeding the lesser of 2/5 of the 21 total creditable service of the member or 10 years. The 22 maximum service of 10 years which is allowable under this 23 paragraph shall be reduced by the service credit which is 24 validated by other retirement systems under paragraph (i) 25 of Section 15-113 and paragraph 1 of Section 17-133. Whenever 8 such service credit exceeds the maximum allowed for all purposes of this Article, the first service rendered in 9 10 point of time shall be considered. The changes to this subdivision (b)(2) made by Public Act 86-272 shall apply 11 not only to persons who on or after its effective date 12 13 (August 23, 1989) are in service as a teacher under the 14 System, but also to persons whose status as such a teacher 15 terminated prior to such effective date, whether or not such person is an annuitant on that date. 16

17 (3) Any periods immediately following teaching 18 service, under this System or under Article 17, (or 19 immediately following service prior to February 1, 1951 as 20 a recreation worker for the Illinois Department of Public 21 Safety) spent in active service with the military forces of 22 the United States; periods spent in educational programs that prepare for return to teaching sponsored by the 23 24 federal government following such active military service; if a teacher returns to teaching service within one 25 26 calendar year after discharge or after the completion of

1 the educational program, a further period, not exceeding 2 one calendar year, between time spent in military service 3 or in such educational programs and the return to 4 employment as a teacher under this System; and a period of 5 up to 2 years of active military service not immediately 6 following employment as a teacher.

7 The changes to this Section and Section 16-128 relating 8 to military service made by P.A. 87-794 shall apply not 9 only to persons who on or after its effective date are in 10 service as a teacher under the System, but also to persons whose status as a teacher terminated prior to that date, 11 whether or not the person is an annuitant on that date. In 12 13 the case of an annuitant who applies for credit allowable 14 under this Section for a period of military service that 15 did not immediately follow employment, and who has made the required contributions for such credit, the annuity shall 16 17 be recalculated to include the additional service credit, 18 with the increase taking effect on the date the System received written notification of the annuitant's intent to 19 20 purchase the credit, if payment of all the required 21 contributions is made within 60 days of such notice, or 22 else on the first annuity payment date following the date 23 of payment of the required contributions. In calculating 24 the automatic annual increase for an annuity that has been 25 recalculated under this Section, the increase attributable 26 to the additional service allowable under P.A. 87-794 shall

be included in the calculation of automatic annual increases accruing after the effective date of the recalculation.

Credit for military service shall be determined as 4 5 follows: if entry occurs during the months of July, August, or September and the member was a teacher at the end of the 6 7 immediately preceding school term, credit shall be granted 8 from July 1 of the year in which he or she entered service; 9 if entry occurs during the school term and the teacher was 10 in teaching service at the beginning of the school term, credit shall be granted from July 1 of such year. In all 11 other cases where credit for military service is allowed, 12 13 credit shall be granted from the date of entry into the 14 service.

15 The total period of military service for which credit is granted shall not exceed 5 years for any member unless 16 the service: (A) is validated before July 1, 1964, and (B) 17 does not extend beyond July 1, 1963. 4 (4) Any periods served as a member of the General 5 Assembly.

(5) (i) Any periods for which a teacher, as defined in 6 7 Section 16-106, is granted a leave of absence, provided he 8 or she returns to teaching service creditable under this 9 System or the State Universities Retirement System 10 following the leave; (ii) periods during which a teacher is involuntarily laid off from teaching, provided he or she 11 12 returns to teaching following the lay-off; (iii) periods 13 prior to July 1, 1983 during which a teacher ceased covered 14 employment due to pregnancy, provided that the teacher 15 returned to teaching service creditable under this System or the State Universities Retirement System following the 16 17 pregnancy and submits evidence satisfactory to the Board 18 documenting that the employment ceased due to pregnancy; 19 and (iv) periods prior to July 1, 1983 during which a 20 teacher ceased covered employment for the purpose of 21 adopting an infant under 3 years of age or caring for a 22 newly adopted infant under 3 years of age, provided that 23 the teacher returned to teaching service creditable under 24 this System or the State Universities Retirement System 25 following the adoption and submits evidence satisfactory 26 to the Board documenting that the employment ceased for the

5 Any qualified member or annuitant may apply for credit under item (iii) or (iv) of this paragraph (5) without 6 7 regard to whether service was terminated before the 8 effective date of this amendatory Act of 1997. In the case 9 of an annuitant who establishes credit under item (iii) or 10 (iv), the annuity shall be recalculated to include the additional service credit. The increase in annuity shall 11 take effect on the date the System receives written 12 13 notification of the annuitant's intent to purchase the 14 credit, if the required evidence is submitted and the 15 required contribution paid within 60 days of that notification, otherwise on the first annuity payment date 16 17 following the System's receipt of the required evidence and 18 contribution. The increase in an annuity recalculated 19 under this provision shall be included in the calculation 20 of automatic annual increases in the annuity accruing after the effective date of the recalculation. 21

Optional credit may be purchased under this subsection (b) (5) for periods during which a teacher has been granted a leave of absence pursuant to Section 24-13 of the School Code. A teacher whose service under this Article terminated prior to the effective date of P.A. 86-1488 shall be

-246- LRB098 05457 EFG 50220 c

eligible to purchase such optional credit. If a teacher who 1 purchases this optional credit is already receiving a 2 3 retirement annuity under this Article, the annuity shall be recalculated as if the annuitant had applied for the leave 4 of absence credit at the time of retirement. The difference 5 between the entitled annuity and the actual annuity shall 6 7 be credited to the purchase of the optional credit. The 8 remainder of the purchase cost of the optional credit shall 9 be paid on or before April 1, 1992.

10 The change in this paragraph made by Public Act 86-273 11 shall be applicable to teachers who retire after June 1, 12 1989, as well as to teachers who are in service on that 13 date.

Prior to the member's retirement, each 21 22 former employer shall certify to the System the number of unused and uncompensated accumulated sick leave days 23 credited to the member at the time of termination of 24 service. The period of unused sick leave shall not be 25 26 determining the effective considered in date of

To receive credit under this item 24 (10), a teacher must apply in writing to the Board and pay 25 the required contributions before May 1, 1993 and have at 26 least 12 years of service credit under this Article.

1 (b-1) A member may establish optional credit for up to 2 years of service as a teacher or administrator employed by a 2 private school recognized by the Illinois State Board of 3 4 Education, provided that the teacher (i) was certified under 5 the law governing the certification of teachers at the time the 6 service was rendered, (ii) applies in writing on or after August 1, 2009 and on or before August 1, 2012, (iii) supplies 7 satisfactory evidence of the employment, (iv) completes at 8 9 least 10 years of contributing service as a teacher as defined 10 in Section 16-106, and (v) pays the contribution required in 11 subsection (d-5) of Section 16-128. The member may apply for credit under this subsection and pay the required contribution 12 13 before completing the 10 years of contributing service required 14 under item (iv), but the credit may not be used until the item 15 (iv) contributing service requirement has been met.

(40 ILCS 5/16-133.1) (from Ch. 108 1/2, par. 16-133.1)
Sec. 16-133.1. Automatic annual increase in annuity.
(a) <u>This subsection (a) is subject to subsections (a-1) and</u>
(a-2). Each member with creditable service and retiring on or

-258- LRB098 05457 EFG 50220 c

1 after August 26, 1969 is entitled to the automatic annual 2 increases in annuity provided under this Section while 3 receiving a retirement annuity or disability retirement 4 annuity from the system.

5 An annuitant shall first be entitled to an initial increase 6 under this Section on the January 1 next following the first 7 anniversary of retirement, or January 1 of the year next 8 following attainment of age 61, whichever is later. At such 9 time, the system shall pay an initial increase determined as 10 follows:

(1) 1.5% of the originally granted retirement annuity or disability retirement annuity multiplied by the number of years elapsed, if any, from the date of retirement until January 1, 1972, plus

(2) 2% of the originally granted annuity multiplied by
the number of years elapsed, if any, from the date of
retirement or January 1, 1972, whichever is later, until
January 1, 1978, plus

(3) 3% of the originally granted annuity multiplied by
the number of years elapsed from the date of retirement or
January 1, 1978, whichever is later, until the effective
date of the initial increase.

However, the initial annual increase calculated under this Section for the recipient of a disability retirement annuity granted under Section 16-149.2 shall be reduced by an amount equal to the total of all increases in that annuity received 1 under Section 16-149.5 (but not exceeding 100% of the amount of 2 the initial increase otherwise provided under this Section).

Following the initial increase, automatic annual increases 3 4 in annuity shall be payable on each January 1 thereafter during 5 the lifetime of the annuitant, determined as a percentage of 6 the originally granted retirement annuity or disability retirement annuity for increases granted prior to January 1, 7 8 1990, and calculated as a percentage of the total amount of 9 annuity, including previous increases under this Section, for 10 increases granted on or after January 1, 1990, as follows: 1.5% 11 for periods prior to January 1, 1972, 2% for periods after December 31, 1971 and prior to January 1, 1978, and 3% for 12 13 periods after December 31, 1977.

14 (a-1) Notwithstanding subsection (a), but subject to the 15 provisions of subsection (a-2), all automatic increases 16 payable under subsection (a) on or after the effective date of this amendatory Act of the 98th General Assembly shall be 17 calculated as 3% of the lesser of (1) the total annuity payable 18 at the time of the increase, including previous increases 19 20 granted, or (2) \$1,000 multiplied by the number of years of 21 creditable service upon which the annuity is based; however, in 22 the case of an initial increase under subsection (a) that is 23 subject to this subsection:

24 (i) if more than one year has elapsed from the date of
 25 retirement to the effective date of the initial increase
 26 under this Section, the applicable percentage shall be the

1	sum of the percentages for each such elapsed year; and
2	(ii) in the case of a disability retirement annuity
3	granted under Section 16-149.2, the initial increase shall
4	be subject to the reduction provided in subsection (a) for
5	increases previously received under Section 16-149.5.
6	Beginning January 1, 2016, the \$1,000 referred to in item
7	(2) of this subsection (a-1) shall be increased on each January
8	1 by the annual unadjusted percentage increase (but not less
9	than zero) in the consumer price index-u for the 12 months
10	ending with the preceding September; these adjustments shall be
11	cumulative and compounded. For the purposes of this subsection
12	(a-1), "consumer price index-u" means the index published by
13	the Bureau of Labor Statistics of the United States Department
14	of Labor that measures the average change in prices of goods
15	and services purchased by all urban consumers, United States
16	city average, all items, 1982-84 = 100. The new dollar amount
17	resulting from each annual adjustment shall be determined by
18	the Public Pension Division of the Department of Insurance and
19	made available to the System by November 1 of each year.
20	This subsection (a-1) is applicable without regard to
21	whether the person is in service on or after the effective date
22	of this amendatory Act of the 98th General Assembly.
23	(a-2) Notwithstanding subsections (a) and (a-1), for an
24	active or inactive Tier 1 member who has not begun to receive a
25	retirement annuity under this Article before July 1, 2014:
26	(1) the second automatic annual increase payable under

1 <u>subsection (a) shall be at the rate of 0% of the total</u>
2 <u>annuity payable at the time of the increase if he or she is</u>
3 <u>at least age 50 on the effective date of this amendatory</u>
4 <u>Act;</u>

5 (2) the second, fourth, and sixth automatic annual 6 increases payable under subsection (a) shall be at the rate 7 of 0% of the total annuity payable at the time of the 8 increase if he or she is at least age 47 but less than age 9 50 on the effective date of this amendatory Act;

10 <u>(3) the second, fourth, sixth, and eighth automatic</u> 11 <u>annual increases payable under subsection (a) shall be at</u> 12 <u>the rate of 0% of the total annuity payable at the time of</u> 13 <u>the increase if he or she is at least age 44 but less than</u> 14 age 47 on the effective date of this amendatory Act; and

15 <u>(4) the second, fourth, sixth, eighth, and tenth</u> 16 <u>automatic annual increases payable under subsection (a)</u> 17 <u>shall be at the rate of 0% of the total annuity payable at</u> 18 <u>the time of the increase if he or she is less than age 44 on</u> 19 <u>the effective date of this amendatory Act.</u>

20 <u>For the purposes of Section 1-103.1, this subsection (a-2)</u> 21 <u>is applicable without regard to whether the person is in</u> 22 <u>service on or after the effective date of this amendatory Act</u> 23 of the 98th General Assembly.

(b) The automatic annual increases in annuity provided
 under this Section shall not be applicable unless a member has
 made contributions toward such increases for a period

-262- LRB098 05457 EFG 50220 c

equivalent to one full year of creditable service. If a member contributes for service performed after August 26, 1969 but the member becomes an annuitant before such contributions amount to one full year's contributions based on the salary at the date of retirement, he or she may pay the necessary balance of the contributions to the system and be eligible for the automatic annual increases in annuity provided under this Section.

8 (c) Each member shall make contributions toward the cost of 9 the automatic annual increases in annuity as provided under 10 Section 16-152.

(d) An annuitant receiving a retirement annuity or disability retirement annuity on July 1, 1969, who subsequently re-enters service as a teacher is eligible for the automatic annual increases in annuity provided under this Section if he or she renders at least one year of creditable service following the latest re-entry.

In addition to the automatic annual increases in 17 (e) annuity provided under this Section, an annuitant who meets the 18 service requirements of this Section and whose retirement 19 20 annuity or disability retirement annuity began on or before January 1, 1971 shall receive, on January 1, 1981, an increase 21 22 in the annuity then being paid of one dollar per month for each 23 year of creditable service. On January 1, 1982, an annuitant 24 whose retirement annuity or disability retirement annuity 25 began on or before January 1, 1977 shall receive an increase in 26 the annuity then being paid of one dollar per month for each 1 vear

9

year of creditable service.

On January 1, 1987, any annuitant whose retirement annuity began on or before January 1, 1977, shall receive an increase in the monthly retirement annuity equal to 8¢ per year of creditable service times the number of years that have elapsed since the annuity began.

8 (40 ILCS 5/16-133.2) (from Ch. 108 1/2, par. 16-133.2)

Sec. 16-133.2. Early retirement without discount.

(a) A member retiring after June 1, 1980 and on or before 10 June 30, 2005 (or as provided in subsection (b) of this 11 12 Section), and applying for a retirement annuity within 6 months of the last day of teaching for which retirement contributions 13 14 were required, may elect at the time of application for a 15 retirement annuity, to make a one time member contribution to the System and thereby avoid the reduction in the retirement 16 17 annuity for retirement before age 60 specified in paragraph (B) of Section 16-133. The exercise of the election shall also 18 19 obligate the last employer to make a one time non-refundable 20 contribution to the System. Substitute teachers wishing to exercise this election must teach 85 or more days in one school 21 22 term with one employer, who shall be deemed the last employer 23 for purposes of this Section. The last day of teaching with that employer must be within 6 months of the date of 24 25 application for retirement. All substitute teaching credit

applied toward the required 85 days must be earned after June
 30, 1990.

3 The one time member and employer contributions shall be a 4 percentage of the retiring member's highest annual salary rate 5 used in the determination of the average salary for retirement annuity purposes. However, when determining the one-time 6 member and employer contributions, that part of a member's 7 8 salary with the same employer which exceeds the annual salary 9 rate for the preceding year by more than 20% shall be excluded. 10 The member contribution shall be at the rate of 7% for the 11 lesser of the following 2 periods: (1) for each year that the member is less than age 60; or (2) for each year that the 12 13 member's creditable service is less than 35 years. If a member is at least age 55 and has at least 34 years of creditable 14 15 service, no member or employer contribution for the early 16 retirement option shall be required. The employer contribution shall be at the rate of 20% for each year the member is under 17 18 age 60.

Upon receipt of the application and election, the System 19 20 shall determine the one time employee and employer 21 contributions required. The member contribution shall be credited to the individual account of the member and the 22 23 employer contribution shall be credited to the Benefit Trust 24 Reserve. The provisions of this subsection (a) providing for 25 the avoidance of the reduction in retirement annuity shall not 26 be applicable until the member's contribution, if any, has been

-265- LRB098 05457 EFG 50220 c

1 received by the System; however, the date such contributions 2 are received shall not be considered in determining the 3 effective date of retirement.

The number of members working for a single employer who may retire under this subsection or subsection (b) in any year may be limited at the option of the employer to a specified percentage of those eligible, not less than 30%, with the right to participate to be allocated among those applying on the basis of seniority in the service of the employer.

10 (b) The provisions of subsection (a) of this Section shall 11 remain in effect for a member retiring after June 30, 2005 and 12 on or before July 1, 2007, provided that the member satisfies 13 both of the following requirements:

(1) the member notified his or her employer of intent
to retire under this Article on or before the effective
date of this amendatory Act of the 94th General Assembly
under the terms of a contract or collective bargaining
agreement entered into, amended, or renewed with the
employer on or before the effective date of this amendatory
Act of the 94th General Assembly; and

(2) the effective date of the member's retirement is onor before July 1, 2007.

23 The member's employer must give evidence of the member's 24 notification by providing to the System:

(i) a copy of the member's notification to the employer
or the record of that notification;

1

(ii) an affidavit signed by the member and the employer, verifying the notification; and

2 3

4

(iii) any additional documentation that the System may require.

5 (c) Except as otherwise provided in subsection (b), and subject to the provisions of Section 16-176, a member retiring 6 on or after July 1, 2005 and on or before June 30, 2013 (or 7 8 January 1, 2014 in the case of a member who has filed a notice 9 of intent to retire with his or her employer on or before June 10 30, 2013 and attains age 55 during the period July 1, 2013 11 through December 31, 2013), and applying for a retirement annuity within 6 months of the last day of teaching for which 12 13 retirement contributions were required, and whose last day of 14 teaching is on or before June 30, 2013, may elect at the time 15 of application for a retirement annuity, to make a one-time 16 member contribution to the System and thereby avoid the reduction in the retirement annuity for retirement before age 17 60 specified in paragraph (B) of Section 16-133. The exercise 18 of the election shall also obligate the last employer to make a 19 20 one-time nonrefundable contribution to the System. Substitute teachers wishing to exercise this election must teach 85 or 21 22 more days in one school term with one employer, who shall be 23 deemed the last employer for purposes of this Section. The last 24 day of teaching with that employer must be within 6 months of 25 the date of application for retirement. All substitute teaching 26 credit applied toward the required 85 days must be earned after 1 June 30, 1990.

The one-time member and employer contributions shall be a 2 3 percentage of the retiring member's highest annual salary rate 4 used in the determination of the average salary for retirement 5 annuity purposes. However, when determining the one-time member and employer contributions, that part of a member's 6 salary with the same employer which exceeds the annual salary 7 8 rate for the preceding year by more than 20% shall be excluded. 9 The member contribution shall be at the rate of 11.5% for the 10 lesser of the following 2 periods: (1) for each year that the 11 member is less than age 60; or (2) for each year that the member's creditable service is less than 35 years. The employer 12 13 contribution shall be at the rate of 23.5% for each year the 14 member is under age 60.

15 Upon receipt of the application and election, the System 16 determine the one-time employee shall and employer contributions required. The member contribution shall be 17 credited to the individual account of the member and the 18 employer contribution shall be credited to the Benefit Trust 19 20 Reserve. The avoidance of the reduction in retirement annuity 21 provided under this subsection (c) is not applicable until the 22 member's contribution, if any, has been received by the System; however, the date that contribution is received shall not be 23 24 considered in determining the effective date of retirement.

The number of members working for a single employer who may retire under this subsection (c) in any year may be limited at

-268- LRB098 05457 EFG 50220 c

the option of the employer to a specified percentage of those eligible, not less than 10%, with the right to participate to be allocated among those applying on the basis of seniority in the service of the employer.

5 For persons not qualifying for the early retirement without 6 discount option under this subsection (c), the option is 7 extended for 3 years under subsection (d), but subject to the 8 changes in eligibility, conditions, and required contributions 9 provided in that subsection.

10 (d) A member who is not eligible for the early retirement 11 without discount option under subsection (c) may qualify for the early retirement without discount option under this 12 13 subsection (d) if the member (1) retires on or after July 1, 2013 and before July 1, 2016, (2) applies for a retirement 14 15 annuity within 6 months of the last day of teaching for which 16 retirement contributions were required, and (3) receives a certification of eligibility under this subsection from the 17 member's last employer. Substitute teachers wishing 18 to 19 exercise this election must teach 85 or more days in one school 20 term with one employer, who shall be deemed the last employer for purposes of this Section. The last day of teaching with 21 that employer must be within 6 months of the date of 22 23 application for retirement. A qualifying member may elect at the time of application

for a retirement annuity to make a one-time member contribution to the System and thereby avoid the reduction in the retirement annuity for retirement before age 60 specified in paragraph (B) of Section 16-133. The exercise of this election shall also obligate the last employer to make a one-time nonrefundable contribution to the System.

7 The one-time member and employer contributions shall be a 8 percentage of the retiring member's highest annual salary rate 9 used in the determination of the average salary for retirement 10 annuity purposes. However, when determining the one-time 11 member and employer contributions, that part of a member's salary with the same employer which exceeds the annual salary 12 13 rate for the preceding year by more than 20% shall be excluded. The member contribution shall be at the rate of 14.4% for the 14 15 lesser of the following 2 periods: (1) for each year that the 16 member is less than age 60; or (2) for each year that the member's creditable service is less than 35 years. The employer 17 contribution shall be at the rate of 29.3% for each year the 18 19 member is under age 60.

20 receipt of the application, election, Upon and certification of eligibility, the System shall determine the 21 one-time employee and employer contributions required. The 22 member contribution shall be credited to the individual account 23 24 of the member and the employer contribution shall be credited 25 to the Benefit Trust Reserve. The avoidance of the reduction in 26 retirement annuity provided under this subsection (d) is not

-270- LRB098 05457 EFG 50220 c

applicable until the member's contribution has been received by the System; however, the date that contribution is received shall not be considered in determining the effective date of retirement.

5 Eligibility to retire under this subsection (d) shall 6 require the approval of the member's last employer under this Article, granted in accordance with criteria adopted by that 7 employer with the mutual consent of the bargaining agent of a 8 9 majority of the members employed by that employer. If the 10 employer grants its approval for a member to retire under this 11 subsection (d), the employer shall submit a certification of eligibility for the member in a manner prescribed by the 12 13 System.

14 The early retirement without discount option under this 15 subsection (d) terminates on July 1, 2016.

For participants to whom subsection (b) of Section 16-132 applies, the references to age 60 in this subsection are increased as provided in subsection (b) of Section 16-132. (Source: P.A. 98-42, eff. 6-28-13.)

Sec. 16-136.1. Annual increase for certain annuitants. (a)
Any annuitant receiving a retirement annuity on June 30, 1969
and any member retiring after June 30, 1969 shall be eligible
for the annual increases provided under this Section provided
the annuitant is ineligible for the automatic annual increase

-271- LRB098 05457 EFG 50220 c

in annuity provided under Section 16-133.1, and provided further that (1) retirement occurred at age 55 or over and was based on 5 or more years of creditable service or (2) if retirement occurred prior to age 55, the retirement annuity was based on 20 or more years of creditable service.

(b) This subsection (b) is subject to subsections (b-1) and 6 (b-2). An annuitant entitled to increases under this Section 7 8 shall be entitled to the initial increase as of the later of: 9 (1) January 1 following attainment of age 65, (2) January 1 10 following the first anniversary of retirement, or (3) the first 11 day of the month following receipt of the required qualifying contribution from the annuitant. The initial monthly increase 12 13 shall be computed on the basis of the period elapsed between 14 the later of the date of last retirement or attainment of age 15 50 and the date of qualification for the initial increase, at 16 the rate of 1 1/2% of the original monthly retirement annuity per year for periods prior to September 1, 1971, and at the 17 18 rate of 2% per year for periods between September 1, 1971 and 19 September 1, 1978, and at the rate of 3% per year for periods 20 thereafter.

An annuitant who has received an initial increase under this Section, shall be entitled, on each January 1 following the granting of the initial increase, to an increase of 3% of the original monthly retirement annuity for increases granted prior to January 1, 1990, and equal to 3% of the total annuity, including previous increases under this Section, for increases

1 granted on or after January 1, 1990. The original monthly 2 retirement annuity for computations under this subsection (b) 3 shall be considered to be \$83.34 for any annuitant entitled to 4 benefits under Section 16-134. The minimum original disability 5 retirement annuity for computations under this subsection (b) 6 shall be considered to be \$33.34 per month for any annuitant 7 retired on account of disability.

(b-1) Notwithstanding subsection (b), but subject to the 8 9 provisions of subsection (b-2), all automatic increases 10 payable under subsection (b) on or after the effective date of this amendatory Act of the 98th General Assembly shall be 11 calculated as 3% of the lesser of (1) the total annuity payable 12 at the time of the increase, including previous increases 13 14 granted, or (2) \$1,000 multiplied by the number of years of 15 creditable service upon which the annuity is based; however, in 16 the case of an initial increase under subsection (b) that is subject to this subsection, if more than one year has elapsed 17 from the date of retirement to the effective date of the 18 initial increase under this Section, the applicable percentage 19 20 shall be the sum of the percentages for each such elapsed year. Beginning January 1, 2016, the \$1,000 referred to in item 21 22 (2) of this subsection (b-1) shall be increased on each January 1 by the annual unadjusted percentage increase (but not less 23 24 than zero) in the consumer price index-u for the 12 months 25 ending with the preceding September; these adjustments shall be cumulative and compounded. For the purposes of this subsection 26

6	resulting from each annual adjustment shall be determined by
7	the Public Pension Division of the Department of Insurance and

9	This subsection (b-1) is applicable without regard to
10	whether the person is in service on or after the effective date
11	of this amendatory Act of the 98th General Assembly.
12	(b-2) Notwithstanding subsections (b) and (b-1), for an

21	(2) the second, fourth, and sixth automatic annual
22	increases payable under subsection (b) shall be at the rate
23	of 0% of the total annuity payable at the time of the

14 (C) An annuitant who otherwise qualifies for annual 15 increases under this Section must make a one-time payment of 1% 16 of the monthly final average salary for each full year of the creditable service forming the basis of the retirement annuity 17 or, if the retirement annuity was not computed using final 18 average salary, 1% of the original monthly retirement annuity 19 20 for each full year of service forming the basis of the 21 retirement annuity.

(d) In addition to other increases which may be provided by this Section, regardless of creditable service, annuitants not meeting the service requirements of Section 16-133.1 and whose retirement annuity began on or before January 1, 1971 shall receive, on January 1, 1981, an increase in the retirement

On January 1, 1987, any annuitant whose retirement annuity began on or before January 1, 1977, shall receive an increase in the monthly retirement annuity equal to 8¢ per year of creditable service times the number of years that have elapsed since the annuity began.

15 Sec. 16-158. Contributions by State and other employing 16 units.

17 (a) The State shall make contributions to the System by means of appropriations from the Common School Fund and other 18 19 State funds of amounts which, together with other employer 20 contributions, employee contributions, investment income, and 21 other income, will be sufficient to meet the cost of 22 maintaining and administering the System on a 100% 90% funded basis in accordance with actuarial recommendations by the end 23 24 of State fiscal year 2044.

-279- LRB098 05457 EFG 50220 c

The Board shall determine the amount of State contributions required for each fiscal year on the basis of the actuarial tables and other assumptions adopted by the Board and the recommendations of the actuary, using the formula in subsection (b-3).

6 (a-1) Annually, on or before November 15 <u>through</u> until 7 November 15, 2011, the Board shall certify to the Governor the 8 amount of the required State contribution for the coming fiscal 9 year. The certification under this subsection (a-1) shall 10 include a copy of the actuarial recommendations upon which it 11 is based and shall specifically identify the System's projected 12 State normal cost for that fiscal year.

On or before May 1, 2004, the Board shall recalculate and recertify to the Governor the amount of the required State contribution to the System for State fiscal year 2005, taking into account the amounts appropriated to and received by the System under subsection (d) of Section 7.2 of the General Obligation Bond Act.

On or before July 1, 2005, the Board shall recalculate and recertify to the Governor the amount of the required State contribution to the System for State fiscal year 2006, taking into account the changes in required State contributions made by this amendatory Act of the 94th General Assembly.

On or before April 1, 2011, the Board shall recalculate and recertify to the Governor the amount of the required State contribution to the System for State fiscal year 2011, applying

-280- LRB098 05457 EFG 50220 c

the changes made by Public Act 96-889 to the System's assets and liabilities as of June 30, 2009 as though Public Act 96-889 was approved on that date.

4 (a-5) On or before November 1 of each year, beginning 5 November 1, 2012, the Board shall submit to the State Actuary, the Governor, and the General Assembly a proposed certification 6 of the amount of the required State contribution to the System 7 for the next fiscal year, along with all of the actuarial 8 9 assumptions, calculations, and data upon which that proposed 10 certification is based. On or before January 1 of each year, 11 beginning January 1, 2013, the State Actuary shall issue a preliminary report concerning the proposed certification and 12 identifying, if necessary, recommended changes in actuarial 13 assumptions that the Board must consider before finalizing its 14 15 certification of the required State contributions.

16 On or before January 15, 2013 and each January 15 thereafter, the Board shall certify to the Governor and the 17 18 General Assembly the amount of the required State contribution 19 for the next fiscal year. The certification shall include a 20 copy of the actuarial recommendations upon which it is based 21 and shall specifically identify the System's projected State normal cost for that fiscal year. The Board's certification 22 23 must note any deviations from the State Actuary's recommended 24 changes, the reason or reasons for not following the State 25 Actuary's recommended changes, and the fiscal impact of not following the State Actuary's recommended changes on the 26

1 required State contribution.

2 (a-10) For purposes of Section (c-5) of Section 20 of the Budget Stabilization Act, on or before November 1 of each year 3 beginning November 1, 2014, the Board shall determine the 4 5 amount of the State contribution to the System that would have 6 been required for the next fiscal year if this amendatory Act of the 98th General Assembly had not taken effect, using the 7 best and most recent available data but based on the law in 8 9 effect on May 31, 2014. The Board shall submit to the State 10 Actuary, the Governor, and the General Assembly a proposed 11 certification, along with the relevant law, actuarial assumptions, calculations, and data upon which that 12 13 certification is based. On or before January 1, 2015 and every 14 January 1 thereafter, the State Actuary shall issue a 15 preliminary report concerning the proposed certification and identifying, if necessary, recommended changes in actuarial 16 assumptions that the Board must consider before finalizing its 17 certification. On or before January 15, 2015 and every January 18 19 1 thereafter, the Board shall certify to the Governor and the 20 General Assembly the amount of the State contribution to the System that would have been required for the next fiscal year 21 22 if this amendatory Act of the 98th General Assembly had not taken effect, using the best and most recent available data but 23 24 based on the law in effect on May 31, 2014. The Board's 25 certification must note any deviations from the State Actuary's 26 recommended changes, the reason or reasons for not following

the State Actuary's recommended changes, and the impact of not following the State Actuary's recommended changes.

3 (b) Through State fiscal year 1995, the State contributions 4 shall be paid to the System in accordance with Section 18-7 of 5 the School Code.

(b-1) Beginning in State fiscal year 1996, on the 15th day 6 7 of each month, or as soon thereafter as may be practicable, the 8 Board shall submit vouchers for payment of State contributions 9 to the System, in a total monthly amount of one-twelfth of the required annual State contribution certified under subsection 10 11 (a-1). From the effective date of this amendatory Act of the 93rd General Assembly through June 30, 2004, the Board shall 12 13 not submit vouchers for the remainder of fiscal year 2004 in excess of the fiscal year 2004 certified contribution amount 14 15 determined under this Section after taking into consideration 16 the transfer to the System under subsection (a) of Section 6z-61 of the State Finance Act. These vouchers shall be paid by 17 18 the State Comptroller and Treasurer by warrants drawn on the 19 funds appropriated to the System for that fiscal year.

20 If in any month the amount remaining unexpended from all 21 other appropriations to the System for the applicable fiscal 22 year (including the appropriations to the System under Section 23 8.12 of the State Finance Act and Section 1 of the State 24 Pension Funds Continuing Appropriation Act) is less than the 25 amount lawfully vouchered under this subsection, the 26 difference shall be paid from the Common School Fund under the

-283- LRB098 05457 EFG 50220 c

continuing appropriation authority provided in Section 1.1 of
 the State Pension Funds Continuing Appropriation Act.

3 (b-2) Allocations from the Common School Fund apportioned 4 to school districts not coming under this System shall not be 5 diminished or affected by the provisions of this Article.

6 (b-3) For State fiscal years 2015 through 2044, the minimum contribution to the System to be made by the State for each 7 fiscal year shall be an amount determined by the System to be 8 9 equal to the sum of (1) the State's portion of the projected 10 normal cost for that fiscal year, plus (2) an amount sufficient 11 to bring the total assets of the System up to 100% of the total actuarial liabilities of the System by the end of State fiscal 12 13 year 2044. In making these determinations, the required State 14 contribution shall be calculated each year as a level 15 percentage of payroll over the years remaining to and including fiscal year 2044 and shall be determined under the projected 16 unit cost method for fiscal year 2015 and under the entry age 17 normal actuarial cost method for fiscal years 2016 through 18 19 2044.

For State fiscal years 2012 through <u>2014</u> 2045, the minimum contribution to the System to be made by the State for each fiscal year shall be an amount determined by the System to be sufficient to bring the total assets of the System up to 90% of the total actuarial liabilities of the System by the end of State fiscal year 2045. In making these determinations, the required State contribution shall be calculated each year as a level percentage of payroll over the years remaining to and including fiscal year 2045 and shall be determined under the projected unit credit actuarial cost method.

4 For State fiscal years 1996 through 2005, the State 5 contribution to the System, as a percentage of the applicable employee payroll, shall be increased in equal annual increments 6 so that by State fiscal year 2011, the State is contributing at 7 8 the rate required under this Section; except that in the 9 following specified State fiscal years, the State contribution 10 to the System shall not be less than the following indicated 11 percentages of the applicable employee payroll, even if the indicated percentage will produce a State contribution in 12 13 excess of the amount otherwise required under this subsection 14 and subsection (a), and notwithstanding any contrary 15 certification made under subsection (a-1) before the effective 16 date of this amendatory Act of 1998: 10.02% in FY 1999; 10.77% in FY 2000; 11.47% in FY 2001; 12.16% in FY 2002; 12.86% in FY 17 2003; and 13.56% in FY 2004. 18

Notwithstanding any other provision of this Article, the total required State contribution for State fiscal year 2006 is \$534,627,700.

Notwithstanding any other provision of this Article, the total required State contribution for State fiscal year 2007 is \$738,014,500.

For each of State fiscal years 2008 through 2009, the State contribution to the System, as a percentage of the applicable

-285- LRB098 05457 EFG 50220 c

employee payroll, shall be increased in equal annual increments from the required State contribution for State fiscal year 2007, so that by State fiscal year 2011, the State is contributing at the rate otherwise required under this Section.

5 Notwithstanding any other provision of this Article, the total required State contribution for State fiscal year 2010 is 6 \$2,089,268,000 and shall be made from the proceeds of bonds 7 8 sold in fiscal year 2010 pursuant to Section 7.2 of the General 9 Obligation Bond Act, less (i) the pro rata share of bond sale 10 expenses determined by the System's share of total bond 11 proceeds, (ii) any amounts received from the Common School Fund in fiscal year 2010, and (iii) any reduction in bond proceeds 12 13 due to the issuance of discounted bonds, if applicable.

14 Notwithstanding any other provision of this Article, the 15 total required State contribution for State fiscal year 2011 is 16 the amount recertified by the System on or before April 1, 2011 pursuant to subsection (a-1) of this Section and shall be made 17 from the proceeds of bonds sold in fiscal year 2011 pursuant to 18 Section 7.2 of the General Obligation Bond Act, less (i) the 19 20 pro rata share of bond sale expenses determined by the System's share of total bond proceeds, (ii) any amounts received from 21 22 the Common School Fund in fiscal year 2011, and (iii) any 23 reduction in bond proceeds due to the issuance of discounted 24 bonds, if applicable. This amount shall include, in addition to 25 the amount certified by the System, an amount necessary to meet 26 employer contributions required by the State as an employer 1 under paragraph (e) of this Section, which may also be used by 2 the System for contributions required by paragraph (a) of 3 Section 16-127.

Beginning in State fiscal year 2045, the minimum State
contribution for each fiscal year shall be the amount needed to
maintain the total assets of the System at 100% of the total
actuarial liabilities of the System.

8 Beginning in State fiscal year 2046, the minimum State 9 contribution for each fiscal year shall be the amount needed to 10 maintain the total assets of the System at 90% of the total 11 actuarial liabilities of the System.

Amounts received by the System pursuant to Section 25 of 12 13 the Budget Stabilization Act or Section 8.12 of the State Finance Act in any fiscal year do not reduce and do not 14 15 constitute payment of any portion of the minimum State 16 contribution required under this Article in that fiscal year. Such amounts shall not reduce, and shall not be included in the 17 calculation of, the required State contributions under this 18 Article in any future year until the System has reached a 19 20 funding ratio of at least 100% 90%. A reference in this Article to the "required State contribution" or any substantially 21 22 similar term does not include or apply to any amounts payable 23 to the System under Section 25 of the Budget Stabilization Act.

Notwithstanding any other provision of this Section, the required State contribution for State fiscal year 2005 and for fiscal year 2008 and each fiscal year thereafter <u>through State</u>

1 fiscal year 2014, as calculated under this Section and certified under subsection (a-1), shall not exceed an amount 2 3 equal to (i) the amount of the required State contribution that 4 would have been calculated under this Section for that fiscal 5 year if the System had not received any payments under 6 subsection (d) of Section 7.2 of the General Obligation Bond Act, minus (ii) the portion of the State's total debt service 7 8 payments for that fiscal year on the bonds issued in fiscal 9 year 2003 for the purposes of that Section 7.2, as determined 10 and certified by the Comptroller, that is the same as the 11 System's portion of the total moneys distributed under subsection (d) of Section 7.2 of the General Obligation Bond 12 13 Act. In determining this maximum for State fiscal years 2008 14 through 2010, however, the amount referred to in item (i) shall 15 be increased, as a percentage of the applicable employee 16 payroll, in equal increments calculated from the sum of the required State contribution for State fiscal year 2007 plus the 17 applicable portion of the State's total debt service payments 18 19 for fiscal year 2007 on the bonds issued in fiscal year 2003 20 for the purposes of Section 7.2 of the General Obligation Bond 21 Act, so that, by State fiscal year 2011, the State is 22 contributing at the rate otherwise required under this Section.

(c) Payment of the required State contributions and of all pensions, retirement annuities, death benefits, refunds, and other benefits granted under or assumed by this System, and all expenses in connection with the administration and operation 1

thereof, are obligations of the State.

2 If members are paid from special trust or federal funds which are administered by the employing unit, whether school 3 4 district or other unit, the employing unit shall pay to the 5 System from such funds the full accruing retirement costs based 6 upon that service, as determined by the System. Employer contributions, based on salary paid to members from federal 7 8 funds, may be forwarded by the distributing agency of the State 9 of Illinois to the System prior to allocation, in an amount 10 determined in accordance with guidelines established by such 11 agency and the System.

(d) Effective July 1, 1986, any employer of a teacher as defined in paragraph (8) of Section 16-106 shall pay the employer's normal cost of benefits based upon the teacher's service, in addition to employee contributions, as determined by the System. Such employer contributions shall be forwarded monthly in accordance with guidelines established by the System.

19 However, with respect to benefits granted under Section 20 16-133.4 or 16-133.5 to a teacher as defined in paragraph (8) of Section 16-106, the employer's contribution shall be 12% 21 22 (rather than 20%) of the member's highest annual salary rate 23 for each year of creditable service granted, and the employer 24 shall also pay the required employee contribution on behalf of 25 the teacher. For the purposes of Sections 16-133.4 and 26 16-133.5, a teacher as defined in paragraph (8) of Section

-289- LRB098 05457 EFG 50220 c

1 16-106 who is serving in that capacity while on leave of 2 absence from another employer under this Article shall not be 3 considered an employee of the employer from which the teacher 4 is on leave.

5 (e) Beginning July 1, 1998, every employer of a teacher 6 shall pay to the System an employer contribution computed as 7 follows:

8 (1) Beginning July 1, 1998 through June 30, 1999, the 9 employer contribution shall be equal to 0.3% of each 10 teacher's salary.

(2) Beginning July 1, 1999 and thereafter, the employer
 contribution shall be equal to 0.58% of each teacher's
 salary.

14 The school district or other employing unit may pay these 15 employer contributions out of any source of funding available 16 for that purpose and shall forward the contributions to the 17 System on the schedule established for the payment of member 18 contributions.

19 These employer contributions are intended to offset a 20 portion of the cost to the System of the increases in 21 retirement benefits resulting from this amendatory Act of 1998.

Each employer of teachers is entitled to a credit against the contributions required under this subsection (e) with respect to salaries paid to teachers for the period January 1, 2002 through June 30, 2003, equal to the amount paid by that employer under subsection (a-5) of Section 6.6 of the State -290- LRB098 05457 EFG 50220 c

Employees Group Insurance Act of 1971 with respect to salaries
 paid to teachers for that period.

The additional 1% employee contribution required under Section 16-152 by this amendatory Act of 1998 is the responsibility of the teacher and not the teacher's employer, unless the employer agrees, through collective bargaining or otherwise, to make the contribution on behalf of the teacher.

8 If an employer is required by a contract in effect on May 9 1, 1998 between the employer and an employee organization to 10 pay, on behalf of all its full-time employees covered by this 11 Article, all mandatory employee contributions required under this Article, then the employer shall be excused from paying 12 13 the employer contribution required under this subsection (e) for the balance of the term of that contract. The employer and 14 15 the employee organization shall jointly certify to the System 16 the existence of the contractual requirement, in such form as the System may prescribe. This exclusion shall cease upon the 17 termination, extension, or renewal of the contract at any time 18 after May 1, 1998. 19

(f) If the amount of a teacher's salary for any school year used to determine final average salary exceeds the member's annual full-time salary rate with the same employer for the previous school year by more than 6%, the teacher's employer shall pay to the System, in addition to all other payments required under this Section and in accordance with guidelines established by the System, the present value of the increase in

1 benefits resulting from the portion of the increase in salary that is in excess of 6%. This present value shall be computed 2 by the System on the basis of the actuarial assumptions and 3 4 tables used in the most recent actuarial valuation of the 5 System that is available at the time of the computation. If a 6 teacher's salary for the 2005-2006 school year is used to determine final average salary under this subsection (f), then 7 8 the changes made to this subsection (f) by Public Act 94-1057 9 shall apply in calculating whether the increase in his or her 10 salary is in excess of 6%. For the purposes of this Section, 11 change in employment under Section 10-21.12 of the School Code on or after June 1, 2005 shall constitute a change in employer. 12 13 The System may require the employer to provide any pertinent 14 information or documentation. The changes made to this 15 subsection (f) by this amendatory Act of the 94th General 16 Assembly apply without regard to whether the teacher was in service on or after its effective date. 17

18 Whenever it determines that a payment is or may be required 19 under this subsection, the System shall calculate the amount of 20 the payment and bill the employer for that amount. The bill shall specify the calculations used to determine the amount 21 22 due. If the employer disputes the amount of the bill, it may, 23 within 30 days after receipt of the bill, apply to the System 24 in writing for a recalculation. The application must specify in 25 detail the grounds of the dispute and, if the employer asserts 26 that the calculation is subject to subsection (g) or (h) of

-292- LRB098 05457 EFG 50220 c

1 this Section, must include an affidavit setting forth and 2 attesting to all facts within the employer's knowledge that are 3 pertinent to the applicability of that subsection. Upon 4 receiving a timely application for recalculation, the System 5 shall review the application and, if appropriate, recalculate 6 the amount due.

The employer contributions required under this subsection 7 8 (f) may be paid in the form of a lump sum within 90 days after 9 receipt of the bill. If the employer contributions are not paid 10 within 90 days after receipt of the bill, then interest will be 11 charged at a rate equal to the System's annual actuarially assumed rate of return on investment compounded annually from 12 13 the 91st day after receipt of the bill. Payments must be concluded within 3 years after the employer's receipt of the 14 15 bill.

(g) This subsection (g) applies only to payments made or salary increases given on or after June 1, 2005 but before July 1, 2011. The changes made by Public Act 94-1057 shall not require the System to refund any payments received before July 31, 2006 (the effective date of Public Act 94-1057).

When assessing payment for any amount due under subsection (f), the System shall exclude salary increases paid to teachers under contracts or collective bargaining agreements entered into, amended, or renewed before June 1, 2005.

When assessing payment for any amount due under subsection (f), the System shall exclude salary increases paid to a

-293- LRB098 05457 EFG 50220 c

1 teacher at a time when the teacher is 10 or more years from 2 retirement eligibility under Section 16-132 or 16-133.2.

3 When assessing payment for any amount due under subsection 4 (f), the System shall exclude salary increases resulting from 5 overload work, including summer school, when the school district has certified to the System, and the System has 6 approved the certification, that (i) the overload work is for 7 the sole purpose of classroom instruction in excess of the 8 9 standard number of classes for a full-time teacher in a school 10 district during a school year and (ii) the salary increases are 11 equal to or less than the rate of pay for classroom instruction computed on the teacher's current salary and work schedule. 12

13 When assessing payment for any amount due under subsection 14 (f), the System shall exclude a salary increase resulting from 15 a promotion (i) for which the employee is required to hold a 16 certificate or supervisory endorsement issued by the State Teacher Certification Board that is a different certification 17 or supervisory endorsement than is required for the teacher's 18 previous position and (ii) to a position that has existed and 19 20 been filled by a member for no less than one complete academic 21 year and the salary increase from the promotion is an increase 22 that results in an amount no greater than the lesser of the 23 average salary paid for other similar positions in the district 24 requiring the same certification or the amount stipulated in 25 the collective bargaining agreement for a similar position 26 requiring the same certification.

-294- LRB098 05457 EFG 50220 c

1 When assessing payment for any amount due under subsection 2 (f), the System shall exclude any payment to the teacher from 3 the State of Illinois or the State Board of Education over 4 which the employer does not have discretion, notwithstanding 5 that the payment is included in the computation of final 6 average salary.

When assessing payment for any amount due under 7 (h) 8 subsection (f), the System shall exclude any salary increase 9 described in subsection (g) of this Section given on or after 10 July 1, 2011 but before July 1, 2014 under a contract or 11 collective bargaining agreement entered into, amended, or renewed on or after June 1, 2005 but before July 1, 2011. 12 13 Notwithstanding any other provision of this Section, anv 14 payments made or salary increases given after June 30, 2014 15 shall be used in assessing payment for any amount due under 16 subsection (f) of this Section.

(i) The System shall prepare a report and file copies of the report with the Governor and the General Assembly by January 1, 2007 that contains all of the following information:

(1) The number of recalculations required by the
 changes made to this Section by Public Act 94-1057 for each
 employer.

(2) The dollar amount by which each employer's
 contribution to the System was changed due to
 recalculations required by Public Act 94-1057.

26

(3) The total amount the System received from each

employer as a result of the changes made to this Section by
 Public Act 94-4.

3 (4) The increase in the required State contribution
4 resulting from the changes made to this Section by Public
5 Act 94-1057.

6 (j) For purposes of determining the required State 7 contribution to the System, the value of the System's assets 8 shall be equal to the actuarial value of the System's assets, 9 which shall be calculated as follows:

As of June 30, 2008, the actuarial value of the System's assets shall be equal to the market value of the assets as of that date. In determining the actuarial value of the System's assets for fiscal years after June 30, 2008, any actuarial gains or losses from investment return incurred in a fiscal year shall be recognized in equal annual amounts over the 5-year period following that fiscal year.

17 (k) For purposes of determining the required State 18 contribution to the system for a particular year, the actuarial 19 value of assets shall be assumed to earn a rate of return equal 20 to the system's actuarially assumed rate of return.

25 <u>Sec. 16-158.2.</u> Obligations of State; funding guarantee.

1 (a) Beginning July 1, 2014, the State shall be obligated to contribute to the System in each State fiscal year an amount 2 not less than the sum of (i) the State's normal cost for the 3 4 year and (ii) the portion of the unfunded accrued liability 5 assigned to that year by law. Notwithstanding any other 6 provision of law, if the State fails to pay an amount required under this subsection, it shall be the obligation of the Board 7 to seek payment of the required amount in compliance with the 8 9 provisions of this Section and, if the amount remains unpaid, 10 to bring a mandamus action in the Supreme Court of Illinois to 11 compel the State to make the required payment.

12 If the System submits a voucher for contributions required 13 under Section 16-158 and the State fails to pay that voucher 14 within 90 days of its receipt, the Board shall submit a written 15 request to the Comptroller seeking payment. A copy of the 16 request shall be filed with the Secretary of State, and the Secretary of State shall provide a copy to the Governor and 17 General Assembly. No earlier than the 16th day after the System 18 19 files the request with the Comptroller and Secretary of State, 20 if the amount remains unpaid the Board shall commence a 21 mandamus action in the Supreme Court of Illinois to compel the Comptroller to satisfy the voucher. 22

23 <u>This subsection (a) constitutes an express waiver of the</u> 24 <u>State's sovereign immunity solely to the extent that it permits</u> 25 <u>the Board to commence a mandamus action in the Supreme Court of</u> 26 <u>Illinois to compel the Comptroller to pay a voucher for the</u>

contributions required under Section 16-158. 1 (b) Beginning in State fiscal year 2016, the State shall be 2 3 obligated to make the transfers set forth in subsections (c-5) 4 and (c-10) of Section 20 of the Budget Stabilization Act and to 5 pay to the System its proportionate share of the transferred 6 amounts in accordance with Section 25 of the Budget Stabilization Act. Notwithstanding any other provision of law, 7 if the State fails to transfer an amount required under this 8 9 subsection or to pay to the System its proportionate share of 10 the transferred amount in accordance with Section 25 of the Budget Stabilization Act, it shall be the obligation of the 11 Board to seek transfer or payment of the required amount in 12 compliance with the provisions of this Section and, if the 13 14 required amount remains untransferred or the required payment 15 remains unpaid, to bring a mandamus action in the Supreme Court 16 of Illinois to compel the State to make the required transfer or payment or both, as the case may be. 17 If the State fails to make a transfer required under 18

subsection (c-5) or (c-10) of Section 20 of the Budget 19 20 Stabilization Act or a payment to the System required under Section 25 of that Act, the Board shall submit a written 21 22 request to the Comptroller seeking payment. A copy of the request shall be filed with the Secretary of State, and the 23 24 Secretary of State shall provide a copy to the Governor and 25 General Assembly. No earlier than the 16th day after the System 26 files the request with the Comptroller and Secretary of State, -298- LRB098 05457 EFG 50220 c

1 if the required amount remains untransferred or the required
2 payment remains unpaid, the Board shall commence a mandamus
3 action in the Supreme Court of Illinois to compel the
4 Comptroller to make the required transfer or payment or both,
5 as the case may be.

6 This subsection (b) constitutes an express waiver of the State's sovereign immunity solely to the extent that it permits 7 8 the Board to commence a mandamus action in the Supreme Court of 9 Illinois to compel the Comptroller to make a transfer required 10 under subsection (c-5) or (c-10) of Section 20 of the Budget 11 Stabilization Act and to pay to the System its proportionate 12 share of the transferred amount in accordance with Section 25 13 of the Budget Stabilization Act.

14 <u>The obligations created by this subsection (b) expire when</u> 15 <u>all of the requirements of subsections (c-5) and (c-10) of</u> 16 <u>Section 20 of the Budget Stabilization Act and Section 25 of</u> 17 <u>the Budget Stabilization Act have been met.</u>

(c) Any payments and transfers required to be made by the 18 19 State pursuant to subsection (a) or (b) are expressly 20 subordinate to the payment of the principal, interest, and 21 premium, if any, on any bonded debt obligation of the State or 22 any other State-created entity, either currently outstanding 23 or to be issued, for which the source of repayment or security 24 thereon is derived directly or indirectly from tax revenues 25 collected by the State or any other State-created entity. Payments on such bonded obligations include any statutory fund 26

1 transfers or other prefunding mechanisms or formulas set forth,
2 now or hereafter, in State law or bond indentures, into debt
3 service funds or accounts of the State related to such bond
4 obligations, consistent with the payment schedules associated
5 with such obligations.

6 (40 ILCS 5/16-203)

Sec. 16-203. Application and expiration of new benefit
increases.

9 (a) As used in this Section, "new benefit increase" means an increase in the amount of any benefit provided under this 10 Article, or an expansion of the conditions of eligibility for 11 any benefit under this Article, that results from an amendment 12 13 to this Code that takes effect after June 1, 2005 (the 14 effective date of Public Act 94-4). "New benefit increase", 15 however, does not include any benefit increase resulting from the changes made to this Article by Public Act 95-910 or by 16 17 this amendatory Act of the 98th 95th General Assembly.

(b) Notwithstanding any other provision of this Code or any subsequent amendment to this Code, every new benefit increase is subject to this Section and shall be deemed to be granted only in conformance with and contingent upon compliance with the provisions of this Section.

(c) The Public Act enacting a new benefit increase must identify and provide for payment to the System of additional funding at least sufficient to fund the resulting annual 1

increase in cost to the System as it accrues.

Every new benefit increase is contingent upon the General 2 3 Assembly providing the additional funding required under this 4 subsection. The Commission on Government Forecasting and 5 Accountability shall analyze whether adequate additional funding has been provided for the new benefit increase and 6 7 shall report its analysis to the Public Pension Division of the 8 Department of Insurance Financial and Professional Regulation. 9 A new benefit increase created by a Public Act that does not 10 include the additional funding required under this subsection is null and void. If the Public Pension Division determines 11 that the additional funding provided for a new benefit increase 12 under this subsection is or has become inadequate, it may so 13 14 certify to the Governor and the State Comptroller and, in the 15 absence of corrective action by the General Assembly, the new 16 benefit increase shall expire at the end of the fiscal year in which the certification is made. 17

(d) Every new benefit increase shall expire 5 years after its effective date or on such earlier date as may be specified in the language enacting the new benefit increase or provided under subsection (c). This does not prevent the General Assembly from extending or re-creating a new benefit increase by law.

(e) Except as otherwise provided in the language creating
the new benefit increase, a new benefit increase that expires
under this Section continues to apply to persons who applied

-301- LRB098 05457 EFG 50220 c

1	and qualified for the affected benefit while the new benefit		
2	increase was in effect and to the affected beneficiaries and		
3	alternate payees of such persons, but does not apply to any		
4	other person, including without limitation a person who		
5	continues in service after the expiration date and did not		
6	apply and qualify for the affected benefit while the new		
7	benefit increase was in effect.

10	Sec. 16-205. Defined contribution plan.		
11	(a) By July 1, 2015, the System shall prepare and implement		
12	a voluntary defined contribution plan for up to 5% of eligible		
13	active Tier 1 members. The System shall determine the 5% cap by		
14	the number of active Tier 1 members on the effective date of		
15	this Section. The defined contribution plan developed under		
16	this Section shall be a plan that aggregates employer and		
17	employee contributions in individual participant accounts		
18	which, after meeting any other requirements, are used for		
19	payouts after retirement in accordance with this Section and		
20	any other applicable laws.		
21	As used in this Section, "defined benefit plan" means the		
22	retirement plan available under this Article to Tier 1 members		
23	who have not made the election authorized under this Section.		
24	(1) Under the defined contribution plan, an active Tier		
25	1 member of this System could elect to cease accruing		

-302- LRB098 05457 EFG 50220 c

benefits in the defined benefit plan under this Article and 1 2 begin accruing benefits for future service in the defined contribution plan. Service credit under the defined 3 4 contribution plan may be used for determining retirement 5 eligibility under the defined benefit plan. An active Tier 1 member who elects to cease accruing benefits in his or 6 her defined benefit plan shall be prohibited from 7 purchasing service credit on or after the date of his or 8 her election. <u>A Tier 1 member making the irrevocable</u> 9 10 election provided under this Section shall not receive interest accruals to his or her benefit under paragraph (A) 11 12 of subsection (a) of Section 16-133 on or after the date of his or her election. 13

14(2) Participants in the defined contribution plan15shall pay employee contributions at the same rate as Tier 116members in this System who do not participate in the17defined contribution plan.

(3) State contributions shall be paid into the accounts 18 19 of all participants in the defined contribution plan at a 20 uniform rate, expressed as a percentage of salary and 21 determined for each year. This rate shall be no higher than 22 the employer's normal cost for Tier 1 members in the defined benefit plan for that year, as determined by the 23 24 System and expressed as a percentage of salary, and shall 25 be no lower than 0% of salary. The State shall adjust this 26 rate annually.

(4) The defined contribution plan shall require 5 years 1 2 of participation in the defined contribution plan before vesting in State contributions. If the participant fails to 3 4 vest in them, the State contributions, and the earnings 5 thereon, shall be forfeited. (5) The defined contribution plan may provide for 6 7 participants in the plan to be eligible for the defined 8 disability benefits available to other participants under 9 this Article. If it does, the System shall reduce the 10 employee contributions credited to the member's defined contribution plan account by an amount determined by the 11 12 System to cover the cost of offering such benefits. 13 (6) The defined contribution plan shall provide a 14 variety of options for investments. These options shall 15 include investments in a fund created by the System and managed in accordance with legal and fiduciary standards, 16 17 as well as investment options otherwise available.

18 (7) The defined contribution plan shall provide a
 19 variety of options for payouts to retirees and their
 20 survivors.

21 <u>(8) To the extent authorized under federal law and as</u> 22 <u>authorized by the System, the plan shall allow former</u> 23 <u>participants in the plan to transfer or roll over employee</u> 24 <u>and vested State contributions, and the earnings thereon,</u> 25 <u>into other qualified retirement plans.</u>

26 (9) The System shall reduce the employee contributions

-304- LRB098 05457 EFG 50220 c

1	credited to the member's defined contribution plan account
2	by an amount determined by the System to cover the cost of
3	offering these benefits and any applicable administrative
4	fees.
5	(b) Only persons who are active Tier 1 members of the
6	System on the effective date of this Section are eligible to
7	participate in the defined contribution plan. Participation in
8	the defined contribution plan shall be limited to the first 5%
9	of eligible persons who elect to participate. The election to
10	participate in the defined contribution plan is voluntary and
11	irrevocable.
12	(c) An eligible Tier 1 employee may irrevocably elect to
13	participate in the defined contribution plan by filing with the
14	System a written application to participate that is received by
15	the System prior to its determination that 5% of eligible
16	persons have elected to participate in the defined contribution
17	plan.
18	When the System first determines that 5% of eligible
19	persons have elected to participate in the defined contribution
20	plan, the System shall provide notice to previously eligible
21	employees that the plan is no longer available and shall cease
22	accepting applications to participate.
23	(d) The System shall make a good faith effort to contact
24	each active Tier 1 member who is eligible to participate in the
25	defined contribution plan. The System shall mail information
26	describing the option to join the defined contribution plan to

1 <u>each of these employees to his or her last known address on</u> 2 <u>file with the System. If the employee is not responsive to</u> 3 <u>other means of contact, it is sufficient for the System to</u> 4 <u>publish the details of the option on its website.</u>

5 Upon request for further information describing the 6 option, the System shall provide employees with information from the System before exercising the option to join the plan, 7 including information on the impact to their vested benefits or 8 9 non-vested service. The individual consultation shall include 10 projections of the member's defined benefits at retirement or 11 earlier termination of service and the value of the member's account at retirement or earlier termination of service. The 12 13 System shall not provide advice or counseling with respect to 14 whether the employee should exercise the option. The System 15 shall inform Tier 1 employees who are eligible to participate 16 in the defined contribution plan that they may also wish to obtain information and counsel relating to their option from 17 any other available source, including but not limited to labor 18 19 organizations, private counsel, and financial advisors.

20 (e) In no event shall the System, its staff, its authorized 21 representatives, or the Board be liable for any information 22 given to an employee under this Section. The System may 23 coordinate with the Illinois Department of Central Management 24 Services and other retirement systems administering a defined 25 contribution plan in accordance with this amendatory Act of the 26 98th General Assembly to provide information concerning the

1 impact of the option set forth in this Section. (f) Notwithstanding any other provision of this Section, no 2 person shall begin participating in the defined contribution 3 4 plan until it has attained qualified plan status and received 5 all necessary approvals from the U.S. Internal Revenue Service. 6 (q) The System shall report on its progress under this Section, including the available details of the defined 7 contribution plan and the System's plans for informing eligible 8 9 Tier 1 members about the plan, to the Governor and the General 10 Assembly on or before January 15, 2015. 11 (h) The intent of this amendatory Act of the 98th General Assembly is to ensure that the State's normal cost of 12 13 participation in the defined contribution plan is similar, and 14 if possible equal, to the State's normal cost of participation

15 <u>in the defined benefit plan, unless a lower State's normal cost</u> 16 <u>is necessary to ensure cost neutrality.</u>

18 Sec. 16-206. Defined contribution plan; termination. If 19 the defined contribution plan is terminated or becomes 20 inoperative pursuant to law, then each participant in the plan shall automatically be deemed to have been a contributing Tier 21 22 1 member in the System's defined benefit plan during the time in which he or she participated in the defined contribution 23 24 plan, and for that purpose the System shall be entitled to 25 recover the amounts in the participant's defined contribution

15 that has not been augmented under Section 17-119.1: 1.67%
16 for each of the first 10 years of service; 1.90% for each
17 of the next 10 years of service; 2.10% for each year of

4 (c) When computing such service retirement pensions, the 5 following conditions shall apply:

1. Average salary shall consist of the average annual 6 rate of salary for the 4 consecutive years of validated 7 service within the last 10 years of service when such 8 9 average annual rate was highest. In the determination of 10 average salary for retirement allowance purposes, for 11 members who commenced employment after August 31, 1979, that part of the salary for any year shall be excluded 12 13 which exceeds the annual full-time salary rate for the 14 preceding year by more than 20%. In the case of a member 15 who commenced employment before August 31, 1979 and who 16 receives salary during any year after September 1, 1983 which exceeds the annual full time salary rate for the 17 18 preceding year by more than 20%, an Employer and other employers of eligible contributors as defined in Section 19 20 17-106 shall pay to the Fund an amount equal to the present 21 value of the additional service retirement pension 22 resulting from such excess salary. The present value of the 23 additional service retirement pension shall be computed by 24 the Board on the basis of actuarial tables adopted by the 25 Board. 9 2. Proportionate credit shall be given for validated 10 service of less than one year.

3. For retirement at age 60 or over the pension shallbe payable at the full rate.

13 4. For separation from service below age 60 to a 14 minimum age of 55, the pension shall be discounted at the 15 rate of 1/2 of one per cent for each month that the age of 16 the contributor is less than 60, but a teacher may elect to defer the effective date of pension in order to eliminate 17 or reduce this discount. This discount shall not be 18 19 applicable to any participant who has at least 34 years of 20 service or a retirement pension of at least 74.6% of 21 average salary on the date the retirement annuity begins.

5. No additional pension shall be granted for service exceeding 45 years. Beginning June 26, 1971 no pension shall exceed the greater of \$1,500 per month or 75% of average salary as herein defined.

 Sec. 17-134. Contributions for leaves of absence; military
 service; computing service. In computing service for pension

-311- LRB098 05457 EFG 50220 c

1 purposes the following periods of service shall stand in lieu of a like number of years of teaching service upon payment 2 3 therefor in the manner hereinafter provided: (a) time spent on 4 a leave of absence granted by the employer; (b) service with 5 teacher or labor organizations based upon special leaves of absence therefor granted by an Employer; (c) a maximum of 5 6 years spent in the military service of the United States, of 7 8 which up to 2 years may have been served outside the pension 9 period; (d) unused sick days at termination of service to a 10 maximum of 244 days; (e) time lost due to layoff and 11 curtailment of the school term from June 6 through June 21, 1976; and (f) time spent after June 30, 1982 as a member of the 12 13 Board of Education, if required to resign from an 14 administrative or teaching position in order to qualify as a 15 member of the Board of Education.

16 (1) For time spent on or after September 6, 1948 on
17 sabbatical leaves of absence or sick leaves, for which
18 salaries are paid, an Employer shall make payroll
19 deductions at the applicable rates in effect during such
20 periods.

(2) For time spent on a leave of absence granted by the employer for which no salaries are paid, teachers desiring credit therefor shall pay the required contributions at the rates in effect during such periods as though they were in teaching service. If an Employer pays salary for vacations which occur during a teacher's sick leave or maternity or

-312- LRB098 05457 EFG 50220 c

1 paternity leave without salary, vacation pay for which the teacher would have qualified while in active service shall 2 3 be considered part of the teacher's total salary for pension purposes. No more than 36 months of leave credit 4 5 may be allowed any person during the entire term of service. Sabbatical leave credit shall be limited to the 6 7 time the person on leave without salary under an Employer's 8 rules is allowed to engage in an activity for which he 9 receives salary or compensation.

10 (3) For time spent prior to September 6, 1948, on 11 sabbatical leaves of absence or sick leaves for which 12 salaries were paid, teachers desiring service credit 13 therefor shall pay the required contributions at the 14 maximum applicable rates in effect during such periods.

15 (4) For service with teacher or labor organizations authorized by special leaves of absence, for which no 16 17 payroll deductions are made by an Employer, teachers desiring service credit therefor shall contribute to the 18 19 Fund upon the basis of the actual salary received from such 20 organizations at the percentage rates in effect during such 21 periods for certified positions with such Employer. To the 22 extent the actual salary exceeds the regular salary, which 23 shall be defined as the salary rate, as calculated by the 24 Board, in effect for the teacher's regular position in 25 teaching service on September 1, 1983 or on the effective 26 date of the leave with the organization, whichever is

1 later, the organization shall pay to the Fund the employer's normal cost as set by the Board on 2 the 3 increment. Notwithstanding any other provision of this subdivision (4), teachers are only eligible for credit for 4 5 service under this subdivision (4) if the special leave of absence begins before January 5, 2012 (the effective date 6 of Public Act 97-651) this amendatory Act of 7 the 97th 8 General Assembly.

9 (5) For time spent in the military service, teachers 10 entitled to and desiring credit therefor shall contribute the amount required for each year of service or fraction 11 thereof at the rates in force (a) at 12 the date of 13 appointment, or (b) on return to teaching service as a 14 regularly certified teacher, as the case may be; provided 15 such rates shall not be less than \$450 per year of service. These conditions shall apply unless an Employer elects to 16 and does pay into the Fund the amount which would have been 17 due from such person had he been employed as a teacher 18 19 during such time. In the case of credit for military 20 service not during the pension period, the teacher must 21 also pay to the Fund an amount determined by the Board to 22 be equal to the employer's normal cost of the benefits accrued from such service, plus interest thereon at 5% per 23 year, compounded annually, from the date of appointment to 24 25 the date of payment.

26

The changes to this Section made by Public Act 87-795

shall apply not only to persons who on or after its 1 effective date are in service under the Fund, but also to 2 3 persons whose status as a teacher terminated prior to that date, whether or not the person is an annuitant on that 4 5 date. In the case of an annuitant who applies for credit allowable under this Section for a period of military 6 7 service that did not immediately follow employment, and who 8 has made the required contributions for such credit, the 9 annuity shall be recalculated to include the additional 10 service credit, with the increase taking effect on the date the Fund received written notification of the annuitant's 11 intent to purchase the credit, if payment of all the 12 13 required contributions is made within 60 days of such 14 notice, or else on the first annuity payment date following 15 the date of payment of the required contributions. In calculating the automatic annual increase for an annuity 16 17 that has been recalculated under this Section, the increase attributable to the additional service allowable under 18 19 this amendatory Act of 1991 shall be included in the 20 calculation of automatic annual increases accruing after the effective date of the recalculation. 21

The total credit for military service shall not exceed years, except that any teacher who on July 1, 1963, had validated credit for more than 5 years of military service shall be entitled to the total amount of such credit.

26

(6) For persons who first become teachers before the

-315- LRB098 05457 EFG 50220 c

effective date of this amendatory Act of the 98th General Assembly, a A maximum of 244 unused sick days credited to his account by an Employer on the date of termination of employment. Members, upon verification of unused sick days, may add this service time to total creditable service.

7 (7) In all cases where time spent on leave is
8 creditable and no payroll deductions therefor are made by
9 an Employer, persons desiring service credit shall make the
10 required contributions directly to the Fund.

11 (8) For time lost without pay due to layoff and curtailment of the school term from June 6 through June 21, 12 13 1976, as provided in item (e) of the first paragraph of 14 this Section, persons who were contributors on the days 15 immediately preceding such layoff shall receive credit 16 upon paying to the Fund a contribution based on the rates 17 of compensation and employee contributions in effect at the time of such layoff, together with an additional amount 18 19 equal to 12.2% of the compensation computed for such period 20 of layoff, plus interest on the entire amount at 5% per 21 annum from January 1, 1978 to the date of payment. If such 22 contribution is paid, salary for pension purposes for any 23 year in which such a layoff occurred shall include the 24 compensation recognized for purposes of computing that 25 contribution.

26

(9) For time spent after June 30, 1982, as a

-316- LRB098 05457 EFG 50220 c

nonsalaried member of the Board of Education, if required to resign from an administrative or teaching position in order to qualify as a member of the Board of Education, an administrator or teacher desiring credit therefor shall pay the required contributions at the rates and salaries in effect during such periods as though the member were in service.

8 Effective September 1, 1974, the interest charged for 9 validation of service described in paragraphs (2) through (5) 10 of this Section shall be compounded annually at a rate of 5% 11 commencing one year after the termination of the leave or 12 return to service.

15 Sec. 20-106. Final average salary.

(a) "Final average salary": The average (or other) salary
which is considered by a participating system in determining
the amount of the retirement annuity or survivor's annuity.

(b) Earnings credits under all participating systems shall be considered by each system in determining final average salary, but subject to the limitations imposed by this amendatory Act of the 98th General Assembly for a participant in a defined contribution plan established under Article 2, 14, 5, or 16 of this Code. In calculating a proportional retirement or survivor's annuity based on these earnings

6 Sec. 20-121. Calculation of proportional retirement 7 annuities.

8 (a) Upon retirement of the employee, a proportional 9 retirement annuity shall be computed by each participating system in which pension credit has been established on the 10 basis of pension credits under each system. The computation 11 shall be in accordance with the formula or method prescribed by 12 13 each participating system which is in effect at the date of the 14 employee's latest withdrawal from service covered by any of the 15 systems in which he has pension credits which he elects to have 16 considered under this Article. However, the amount of any 17 retirement annuity payable under the self-managed plan established under Section 15-158.2 of this Code or under the 18 19 defined contribution plan established under Article 2, 14, 15, 20 or 16 of this Code depends solely on the value of the participant's vested account balances and is not subject to any 21 22 proportional adjustment under this Section.

23 (a-5) For persons who participate in a defined contribution
 24 plan established under Article 2, 14, 15, or 16 of this Code to
 25 whom the provisions of this Article apply, the pension credits

1 <u>established under the defined contribution plan may be</u> 2 <u>considered in determining eligibility for or the amount of the</u> 3 <u>defined benefit retirement annuity that is payable by any other</u> 4 <u>participating system.</u>

5 (b) Combined pension credit under all retirement systems 6 subject to this Article shall be considered in determining 7 whether the minimum qualification has been met and the formula 8 or method of computation which shall be applied, except as may 9 be otherwise provided with respect to vesting in State or 10 employer contributions in a defined contribution plan. If a 11 system has a step-rate formula for calculation of the retirement annuity, pension credits covering previous service 12 13 which have been established under another system shall be 14 considered in determining which range or ranges of the 15 step-rate formula are to be applicable to the employee.

16 (c) Interest on pension credit shall continue to accumulate 17 in accordance with the provisions of the law governing the 18 retirement system in which the same has been established during 19 the time an employee is in the service of another employer, on 20 the assumption such employee, for interest purposes for pension 21 credit, is continuing in the service covered by such retirement 22 system.

 25 Sec. 20-123. Survivor's annuity. The provisions governing

-319- LRB098 05457 EFG 50220 c

1 a retirement annuity shall be applicable to a survivor's 2 annuitv. Appropriate credits shall be established for survivor's annuity purposes in those participating systems 3 4 which provide survivor's annuities, according to the same 5 conditions and subject to the same limitations and restrictions 6 herein prescribed for a retirement annuity. If a participating system has no survivor's annuity benefit, or if the survivor's 7 annuity benefit under that system is waived, pension credit 8 9 established in that system shall not be considered in 10 determining eligibility for or the amount of the survivor's 11 annuity which may be payable by any other participating system.

For persons who participate in the self-managed plan 12 13 established under Section 15-158.2 or the portable benefit package established under Section 15-136.4, pension credit 14 15 established under Article 15 may be considered in determining 16 eligibility for or the amount of the survivor's annuity that is payable by any other participating system, but pension credit 17 18 established in any other system shall not result in any right 19 to a survivor's annuity under the Article 15 system.

For persons who participate in a defined contribution plan established under Article 2, 14, 15, or 16 of this Code to whom the provisions of this Article apply, the pension credits established under the defined contribution plan may be considered in determining eligibility for or the amount of the defined benefit survivor's annuity that is payable by any other participating system, but pension credits established in any

other system shall not result in any right to or increase in		
the value of a survivor's annuity under the defined		
contribution plan, which depends solely on the options chosen		
and the value of the participant's vested account balances and		
is not subject to any proportional adjustment under this		
Section.

Sec. 20-124. Maximum benefits.		
(a) In no event shall the combined retirement or survivors		
annuities exceed the highest annuity which would have been

validated in that system.		
If the combined annuities should exceed the highest maximum		
as determined in accordance with this Section, the respective		
annuities shall be reduced proportionately according to the		
ratio which the amount of each proportional annuity bears to		
the aggregate of all such annuities.		
(b) In the case of a participant in the self-managed plan		
established under Section 15-158.2 of this Code to whom the		

22 provisions of this Article apply:

1 the self-managed plan, the amount of the Article 15 2 retirement annuity shall be deemed to be the highest 3 annuity to which the annuitant would have been entitled if 4 he or she had participated in the traditional benefit 5 package as defined in Section 15-103.1 rather than the 6 self-managed plan.

7 (ii) For purposes of calculating the combined 8 survivor's annuity and the proportionate reduction, if 9 any, in a survivor's annuity other than one payable under 10 the self-managed plan, the amount of the Article 15 survivor's annuity shall be deemed to be the highest 11 survivor's annuity to which the survivor would have been 12 13 entitled if the deceased employee had participated in the 14 traditional benefit package as defined in Section 15-103.1 15 rather than the self-managed plan.

(iii) Benefits payable under the self-managed plan are
 not subject to proportionate reduction under this Section.

If a retired employee returns to employment which is 13 covered by a system from which he is receiving a proportional 14 annuity under this Article, his proportional annuity from all 15 participating systems shall be suspended during the period of re-employment, except that this suspension does not apply to 16 17 any distributions payable under the self-managed plan 18 established under Section 15-158.2 or under a defined contribution plan established under Article 2, 14, 15, or 16 of 19 20 this Code.
