12/21/07: email to Mary from Abel - Hi Mary, He applied to the College of Business, which is very competitive. He does have good credentials, but Business did not select him for admission. Instead of waiting to admit him in February to Undeclared in the Division of General Studies, we thought we would admit him now, since Business was a "no." I hope this helps. AbelCASE CLOSED

02/07/08: email to Mary from Cindy - Mary, I just received word that this student will not be accepted. She applied to Organic Chemistry and I understand that they are severely limiting the number of students that they are able to accept. She will be notified once the Department's entire application piece has been completed. Thanks, Cindy

11/08/07: email to Mary from Cindy - Mary, I spoke with Dean Martensen about this student. She indicated that the student's GPA was well below the 2.5 that they require for transfers and he student did not offer any explanation about the low grades. In addition, the student was lacking 3 out of 4 prerequisite courses and the student did not score well on the essay (no details, no indication of why they chose the major, etc.). Dean Martensen will be sending an email today offering additional assistance if the student is interested in following up on any specifics. Thanks, CindyCASE CLOSED

01/16/08: email to Rick from Teresa S - Hello GR [REDACTED] did meet with the assistant director of LARES regarding the summer bridge program. Here is the outcome – She does have good HS grades; however, she suffers from testing anxiety when dealing with math. She mentioned that this is why her ACT math score was very low. She agreed to go through the summer bridge program, but was counseled that attendance is mandatory, she will need to devote more time to school (has only been spending about an hour on studies during the week) and limit weekend activities. She mentioned that she really wanted to attend Urbana, but her mother had concerns about her attending the school. She now states that UIC is her first choice. Her file will now be sent to LAS for formal review
